CWO Barnes and MSgt Papakie getting some questions on the Early Bird article. Could either one of you call me so that I have a solid understanding of the conditions in which he was placed after his underwear were taken from him the other day?

Respectfully Submitted,
CWO-5 Abel Galaviz
Head, Corrections Section
PP&O, PS Division, PSL Branch
(b) (6) [redacted]

"Don't tell people how to do things. Tell them what to do and let them surprise you with the results."
