MANNING, BRADLEY E. (b) (6) [redacted]
Last, First, Middle Init. SSN RCN

1. The following action is recommended for subject:

Custody:	Squad Bay:	Job:
MAXIMUM	SQ-1	SR

- [x] Inmate DOES pose a threat to himself
- [ ] Inmate DOES NOT pose a threat to himself
- [x] Further mental evaluation IS necessary
- [ ] Further mental evaluation is NOT necessary
- [x] Inmate DOES NEED to be segregated from general population
- [ ] Inmate DOES NOT need to be segregated from general population
- [x] Inmate has a LOW TOLERANCE of frustration / stress
- [ ] Inmate has an AVERAGE TOLERANCE of frustration / stress
- [ ]
- [ ]

Medical Officer's Remarks: Pt not currently suicidal & is at lower risk than when he got here, still carries substantial risk. I concur with my consultant, Col Mahe, that decrease in precautions from suicide precautions to prevention of injury precautions. (Q 5 min checks). Recommend that he not have access to belts, boots/shoes, twine, trashbags, etc.
