Sir, this is to provide an independent review of the custody classification process used to produce a Maximum custody. Additionally, I believe a previous email sent by Mr. Geoffroy to LtGen Flynn and Col Choike implied that we had asked the Army to come down for this reason. I will see if I can find that correspondence and send it to you as a reference.

Let me discuss with the Base Commander, a point of clarification, is this to review our procedures and insure compliance or to conduct an independent assessment?

Col Oltman, CWO Averhart, as agreed previously we have asked the Army Corrections HQ's if they would conduct a review of your custody classification process and decisions made irt Pvt Manning as an outside USMC source. Greg Stroebel has agreed and suggested Wednesday the 12th between 1330 and 1400 as the best opportunity for him to make it down there. Please advise on the supportability of this suggested date and time.
