DEFENSE INTELLIGENCE AGENCY

WASHINGTON, D.C. 20340-5100

FEB - 7 2014

U-13-1253/FAC2A1 (FOIA)

Mr. John Greenewald

Dear Mr. Greenewald:

This responds to your Freedom of Information Act (FOIA) request, dated June 24, 2009, that you submitted to the Defense Intelligence Agency (DIA) requesting an Index of the Joint Military Intelligence for College Master's Theses from 1973 to present. I apologize for the delay in responding to your request. DIA continues its efforts to eliminate the large backlog of pending FOIA requests. In order to properly respond, it was necessary to consult with another office within the agency.

A search of DIA's systems of records located one document (170 pages) responsive to the subject of your request.

Upon review, it has been determined that all substantive portions of one document (170 pages) must be withheld in full from disclosure pursuant to the FOIA. The withheld portions are exempt from release pursuant to Exemptions 1, 3, and 6 of the FOIA, 5 U.S.C. § 552 (b)(1), (b)(3), and (b)(6). Exemption 1 applies to information properly classified under the criteria of Executive Order 13526. Exemption 3 applies to information specifically exempted by a statute establishing particular criteria for withholding. The applicable statutes are 10 U.S.C. § 424 and 50 U.S.C. § 3024(i). Statute 10 U.S.C. § 424 protects the identity of DIA employees, the organizational structure of the agency, and any function of DIA. Statute 50 U.S.C. § 3024(i) protects intelligence sources and methods. Exemption 6 applies to information which if released would constitute an unwarranted invasion of the personal privacy of other individuals.

If you are not satisfied with my response to your request, you may exercise your right to file an administrative appeal by writing to the address below and referring to case number 0321-2009. Your appeal must be postmarked no later than 60 days after the date of this letter.

Dear Mr. Greenewald:

This is an amendment to the Defense Intelligence Agency's (DIA) February 7, 2014 response to your Freedom of Information Act (FOIA) request, dated June 24, 2009, therein you requested an Index of the Joint Military Intelligence College Master's Theses from 1973 to present.

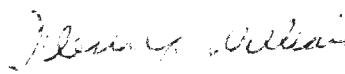

DIA initially withheld all substantive portions of the one document (170 pages) responsive to your request pursuant to Exemptions 1, 3 and 6 of the FOIA, 5 U.S.C. § 552 (b)(1), (b)(3) and (b)(6).

Upon further review of DIA's initial response, I have determined that some portions of the document are releasable and some portions must be withheld in part from disclosure pursuant to Exemptions 1, 3, and 6 of the FOIA, 5 U.S.C. § 552 (b)(1), (b)(3), and (b)(6). Exemption 1 applies to information properly classified under the criteria of Executive Order 13526. Exemption 3 applies to information specifically exempted by a statute establishing particular criteria for withholding. The applicable statute is 10 U.S.C. § 424. Statute 10 U.S.C. § 424 protects the identity of DIA employees, the organizational structure of the agency, and any function of DIA. Exemption 6 applies to information which if released would constitute an unwarranted invasion of the personal privacy of other individuals.

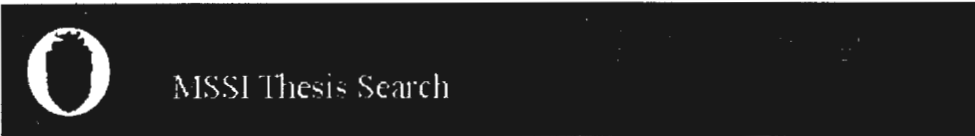

If you are not satisfied with my response to your request, you may exercise your right to file an administrative appeal by writing to the address below and referring to case number 0321-2009. Your appeal must be postmarked no later than 60 days after the date of this letter.
