Subject: File Number 66-HQ-19016/
Presidential Emergency Action Documents,
Pre-Positioning Program

Dear Mr. Greenewald:

Records responsive to your request were previously processed under the provisions of the Freedom of Information Act. Enclosed is one CD containing 16 pages of previously processed documents and a copy of the Explanation of Exemptions. This release is being provided to you at no charge.

Additional records potentially responsive to your subject may exist. Please submit a new FOIA request if you would like the FBI to conduct a search of the indices to our Central Records System.

Submit requests by mail or fax to – Work Process Unit, 170 Marcel Drive, Winchester, VA 22602, fax number (540) 868-4997.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S. C. § 552(c) (2006 & Supp. IV (2010)). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

For questions regarding our determinations, visit the www.fbi.gov/foia website under "Contact Us." The FOIPA Request Number listed above has been assigned to your request. Please use this number in all correspondence concerning your request. Your patience is appreciated.

You may file an appeal by writing to the Director, Office of Information Policy (OIP), United States Department of Justice, Suite 11050, 1425 New York Avenue, NW, Washington, D.C. 20530-0001, or you may submit an appeal through OIP's FOIAonline portal by creating an account on the following web site: <https://foiaonline.regulations.gov/foia/action/public/home>. Your appeal must be postmarked or electronically transmitted within sixty (60) days from the date of this letter in order to be considered timely. If you submit your appeal by mail, both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal." Please cite the FOIPA Request Number assigned to your request so that it may be easily identified.

Sincerely,

PRESIDENTIAL EMERGENCY ACTION DOCUMENTS

Reference is made to Department memorandum dated September 17, 1958, enclosing three proposed proclamations designated as Emergency Action Document A1-42 REV 7/58, Emergency Action Document A1-69, and Emergency Action Document A1-70. Other than the above, this Bureau has no comments to offer concerning the proposed proclamations.

Memo Belmont to Boardman 6/20/58 advised of meeting regarding Presidential Emergency Action Documents to be held in Treaty Room, Executive Office Building, 3:00 p.m., 6/26/58, and it was approved that Section Chief Roach sit for Mr. Belmont and Supervisor Minnich to attend the meeting.

The meeting was presided over by Mr. Charles Sullivan, Assistant Director for Plans and Readiness, Office of Defense Mobilization (ODM), and after a few preliminary remarks, Sullivan introduced Brigadier General Andrew J. Goodpaster, Staff Secretary, White House. General Goodpaster made a few remarks concerning the importance of the Pre-Positioning Program for Presidential Emergency Action Documents, pointing out the President has approved the documents issued to date (a total of eight, six of which we have received as being of interest to us) and that even though the President has approved these documents, the President does not bind himself to the action specified therein. Subsequent to General Goodpaster's remarks, Sullivan reviewed the document program, the corresponding code lists for use with the documents in the event of an emergency, and in general introduced nothing not already known to us or already provided for in our handling of these documents. Subsequent to Sullivan's remarks, Gordon Gray, Director, ODM, was introduced, and his comments were merely repetitious of Goodpaster's and Sullivan's.

SUBJECT: DEFENSE PLANS - PRESIDENTIAL
EMERGENCY ACTION DOCUMENTS
 (PRE-POSITIONING PROGRAM)

Memorandum Belmont to Boardman 6-19-58 advised of initial receipt of six documents*and corresponding code word list in captioned program; that the documents and analysis of each attached thereto together with the code word list would be pre-positioned in Mr. Belmont's office. Further, that we were requesting Office of Civil and Defense Mobilization (OCDM) for additional copies to be pre-positioned at Quantico, our relocation site. It was pointed out that upon receipt of copies for our relocation site, they would be sent to Quantico for maintenance in separate cabinets in the confidential file room where they will be immediately available for our use in the event of an emergency. Copies of the analysis of the documents will also be attached to the documents at our relocation site.

Fletcher
Minnich

On September 16, 1958, Liaison Section obtained from OCDM four documents*and a corresponding code word list for pre-positioning at our site. Two of the documents were not available at this time and they are to be furnished by OCDM at a later date.

OBSERVATIONS:

Due to strict security requirements regarding the documents and code word list, they should not be transmitted to Quantico together in the same vehicle and upon arrival at Quantico, they should be maintained in separate cabinets in the confidential file room. Also, since these documents eventually will pertain to over-all Bureau functions and due to a necessity for seeing to the proper physical maintenance of the documents, it is believed the Liaison Section, which has over-all responsibility for Buplans, should be delegated the responsibility for a semiannual check of the documents and code word list to assure their proper physical maintenance.

SUBJECT: DEFENSE PLANS

FEDERAL EMERGENCY PLAN D (PLAN D)

In November, 1962, we received copies numbered 48 and 49 of PEADs, which will be issued in time of a national emergency. Copy number 48 was filed in Drawer 2, safe file, copy, in the Office of the Assistant Director, Domestic Intelligence Division (DID), and copy number 49 was filed with DID emergency records at Quantico.

In November, 1968, we received revised copies of Plan D (issued February, 1968) which prescribes major Federal policies and actions that will be required by the Federal Government during a crippling nuclear attack on the United States. A copy was filed with DID emergency records at Quantico, a copy was filed in Bureau files and a copy retained at the Buplans Desk.

There have been some changes in the PEADs which we have not been furnished in their entirety. However, a summary of these PEADs are contained in Plan D which was revised in March, 1970. In January, 1971, the Department furnished copy number 248 of Plan D, including PEADs copy number 106, which is maintained at Buplans Desk.

On 12/17/71 we received from the Office of Emergency Preparedness three additional copies of Plan D which are being distributed as follows:

- Copy 442 (PEADs copy 299) - Records Branch
- Copy 543 (PEADs copy 400) - SAC, Quantico - detached & filed - 7013
- Copy 544 (PEADs copy 401) - Assistant Director, DID.
