Johnny Cash ever sets foot in the Philippine Islands again - I will have him shot on sight! Viva La Filipino!"

John R Cash,

Have you looked up the Laws governing Plagerism yet? Those concerning Slavery, Grand Larceny, Bribery - oh yes, all those Tax Laws? The Declaration of Independence - "These Inalienable Rights - Life, Liberty, and the Pursuit of Happiness - are guaranteed! You broke all of these.... Did you enjoy the Cowditz County Fair while stealing from me? J.W. Kelly Plumbing and Heating must be really fond of you after you and yours had the Green slime to back up in my bathtub, dont that a nice way for Youth For Christ-Columbia Singers - and you to earn your way into the penitentiary (PR 112071). I was there once myself - "you not going to Nashville - you going to Marshallville." This one was really Christian of you, - while sick from your Forced Drugs - and then when at (perhaps) your future home - Walla Walla Prison - you had them Force me to take Waldol - a drug you knew might Kill me. There are Laws about Attempted Premeditated Murder also. "Down Lifer Road of Sin" - do you sing it often now? How about all of the others? How about "Nero," "A Moment Of Glory," (the entire United States Armed Forces is ready to kill you for that one) - "I'm A Dreamer," song "Buck Owens" - Book "Josephus" You are a fuckin' idiot, and so are the rest of the motherfuckers that, "joined right in there!" You cocksuckin' faggot punk - I ought to take a 12 gauge and blow your illiterate fuckin' ass into right on a fuckin' stage! Had I known you financially backed the cocksuckin' anti-war demonstration - you would have been ~~that~~ ~~last~~ last fuckin' place I would have went for any fuckin' thing! 12 gauge - I still may - if I have to!

The populations of Chile, Uruguay - soon all Countries of the world will be see ing for your stupid ass!

Every C.B. radio in truck, car, house, is working over time asking for your and brother and the other n...!

10/11/71

700,000,000 women now save your guts, Cash. The Soviet Union has me use for you. All of the Arab Countries now despise you. England now thinks you a fool, 800,000,000 American think you the sickest mind in America; perhaps the world.

How did you like "Interpretation of The Hangman." Scared the fuckin' Jesus out of "Hecker" didn't it fuckhead. "The Little Yellow Horse" I'll have to write again — I'll call it "The Little Yellow Man in Black." — but of course the ending will be much different.

How any man/group of men could stand by/force the suffering & endured during the last eleven-plus years is impossible to believe. You are/and were mere Animals torturing your Prey. Some of you are going to go to Death-Row — and Filming as you and the others did aboard United States Naval Base's — constitutes TREASON! This automatically means the Death Penalty. But, then you heard me beg for death, and did not care. Some and time again I literally begged you to stop torturing me, but you acted like some kind of ghoulish non-human. — the Nazis themselves were more humane.... You spoke of Functional Illiterates to Gov. Alexander — just what in the fuck do you call yourself? You must have a syphilitic morbid brain to accept an award "for your work against" illiteracy." And, then to go on with a Christmas Special to further Rape the minds of America — after committing the most horrible deeds of Plagiarism — plus the other Hideous Inhumane Acts against me! I will see you burn in Hell, before I let a grotesque Animal like you ever again rape the minds of America's Children!

My Heritage is Country Music — but mostly my Heritage is America — and "There is an Eagle Flying Over This Country — Over Amber Waves of Grain, and a Big Ol' Flag a-wavin' — for those that would be

"I guess they can call you a poor Freak...."
but, wait now I don't think you can say: "I can hear him calling my Name"

12/11/71

Small U Hooper — and you proud of your ignorant ass — getting him to cover for you and the others and by going so, causing his impeachment! You wouldn't tell him the whole truth, would you — you son-of-a-bitch!

2

Much Sheet! If you do not do the above
in Business or in the U. S. Navy (ie Message
Traffic)-you are the stupidest, ignorant
son-of-a-bitch there is! And, - Treason
could be the motive for not leaving a
receipt — because then nobody knows
What or How Much — Only the
Saboteur or Thief knows! Of course
during time of War in Uncle Sam's
Yacht Club the punishment could be
death, — You know — like some
conscientious objecting Motherfuckers
did during the Vietnam War! — meaning,
this kind of National Security Advisor
Conscientious Objector Peacemonger Flower-
Child Murdering son-of-a-bitch that
placed "SAND" in the Ejection seat
(Johnny Lee) put a little sand in my shoes"
Cartridges of American Aircraft!

Plagerism — I know you are already
aware of — You are Written — You
know the Danger — So, give 'em Hell
Gang!

"Big & Bright" - the forgotten Lincoln song was a piece of shit - like you and the others turned out to be. Don't read that special book

Americans...." I am certain that MacArthur, Admiral "Ball" Halsey, Chester W. Nimitz, George S. Patton and have more than once turned over in their graves because of you and those that would make a mockery out of Human Decency - and by doing so - a mockery out of America. Now, there are many of us who get sick at the sound of Country Music coming over an airwave, because it may be a Plagiarized song. Wank Williams said it best - "A tongue can accuse and carry bad news - the seeds of distrust it can sow - but unless you have made no mistakes in your life - be careful of the stones that you throw." Or, Jesus, "Let he that is without sin cast the first stone." You and yours listened to neither, and now you speak of others as being Functionally Illiterate, You and those others have brought Shame and Degradation to Country Music and to the Entertainment World. Now that I know the names of those involved - I sometimes want to personally kill all of you, and I could do so without flinching or eyelid. I haven't, because I happen to love God, The United States, and the Flag which is the Symbol for all of the above.

Illiteracy is not just Reading & Writing. It Never has been.... Illiteracy in Thinking is much worse. The Civil Rights Act of 1964 should have made this plain to you. Because a person could not read or write did not mean he/she was not intelligent enough to vote! I am in Illinois - not far away. Richard M. Nixon, is about ready to initiate proceedings in my behalf - and the behalf of-

America

Specimens received

December 22, 1981

- Q1 Envelope postmarked "CHAMPAIGN, IL 618 PM 9 DEC 1981" bearing handwritten address "John R Cash House of Cash Nashville Pike Hendersonville, Tn."
- Q2 Page one of accompanying handwritten letter beginning "President Marco's: "If Johnny Cash..."
- Q3 Page two of accompanying handwritten letter beginning "How did you like..."
- Q4 Page three of accompanying handwritten letter beginning "Americans...."I am certain..."

Result of examination:

Q1 through Q4 were searched through the Anonymous Letter File without effecting an identification. Representative copies have been added to that file for future reference purposes.

No watermarks or indented writings were found on Q1 through Q4.

Q1 through Q4 have been photographed in the event a future examination is desired. If known handwriting of suspects in this case is obtained, that writing should include numerous repetitions of the exact wording of the questioned writing on Q1 through Q4 and should be prepared on envelopes and paper similar in size and format to the questioned items.

Q1 through Q4 will be returned separately along with the results of the latent fingerprint examination.

Re Memphis letter to the Bureau dated 12/2/70.

Title is marked changed to reflect the addition of JOHNNY CASH as a victim in instant matter, in view of receipt of enclosed letter.

Enclosed herewith for the Bureau is the original letter and envelope of extortion letter postmarked Smyrna, Tenn., 11/27/70, and one Xerox copy each of the aforementioned.

Attorney, Nashville, Tenn., made available the enclosed letter and envelope which were received by the JOHNNY CASH organization in Nashville, Tenn.

For the information of the Bureau, JOHNNY CASH is a nationally known television star who receives "stacks" of mail each day. In his organization are members who open the mail, and this letter was found on opening the mail sometime following 11/27/70 (Friday) and was turned over to [redacted] who is the attorney for JOHNNY CASH.

The handwriting on both the envelope and letter appears identical with that in the letters received by [redacted]. In addition, it should be noted that on the top of the one page letter to JOHNNY CASH there are the remains of two sheets of paper. On the upper right-hand corner there are the remains of a sheet of paper which apparently corresponds to one of the sheets of paper which

Re Memphis letter to the Bureau dated 12/2/70.

Title is marked changed to reflect the addition of JOHNNY CASH as a victim in instant matter, in view of receipt of enclosed letter.

b6
b7C

Enclosed herewith for the Bureau is the original letter and envelope of extortion letter postmarked Smyrna, Tenn., 11/27/70, and one Xerox copy each of the aforementioned.

[REDACTED] Attorney, Nashville, Tenn., made available the enclosed letter and envelope which were received by the JOHNNY CASH organization in Nashville, Tenn.

For the information of the Bureau, JOHNNY CASH is a nationally known television star who receives "stacks" of mail each day. In his organization are members who open the mail, and this letter was found on opening the mail sometime following 11/27/70 (Friday) and was turned over to [REDACTED] who is the attorney for JOHNNY CASH.

b6
b7C

The handwriting on both the envelope and letter appears identical with that in the letters received by [REDACTED]. In addition, it should be noted that on the top of the one page letter to JOHNNY CASH there are the remains of two sheets of paper. On the upper right-hand corner there are the remains of a sheet of paper which apparently corresponds to one of the sheets of paper which

was received by [redacted] in his last extortion letter. The portion of the remaining page on the left upper portion of the CASH letter is also the remains from a sheet of paper from the [redacted] letter and it contains the top of a "T" which appears on the [redacted] letter as "take."

REQUEST OF THE BUREAU:

b6
b7C

The FBI Laboratory is requested to compare the handprinting on enclosed letter and envelope with the previous extortion letters submitted in the [redacted] case and with the known handprinting of subject.

Will examine enclosed specimens for water marks and indented writing in an effort to identify the source.

The FBI Identification Division is requested to process letter and envelope for latent fingerprints and compare any developed latents with fingerprints of subject previously submitted.

Dear [REDACTED]

Merry Xmas and best wishes for you and your family, including your daughter. And, lots of luck with finding someone else to help support her for a while.

If you know how to contact her, please tell her that she is going to get a big surprise for Xmas this year. I've really out-done myself this time. I just wanted to make sure she won't ever forget Xmas 1978 or me. I know that I won't ever forget her, for one reason or another.

More people, the world over, are going to know about your daughter than ever knew about Cleopatra, in her time. In case you don't know who Cleopatra was, I'll tell you. She was some Egyptian chick that really had things going good for a while, with this Roman General named Mark Anthony. Well, guess what?! This chick fucked over her dude, too.

Well, rather than send the whole Roman Army to Egypt just to give Cleopatra a Xmas present, Mark Anthony did the next best thing. No, he didn't write her another computer program, that's my department. He sent her some poisonous vipers. In those days, the postage on a few poisonous vipers was cheaper than it was on the whole Roman Army.

I thought about pulling the old Mark Anthony trick on your daughter. Well, guess what, again? Poisonous vipers are out of season, just before Xmas. At least west of the Mississippi River. I heard tell, that someone east of the Mississippi River (in a place called Olive Hill, Kentucky) grows poisonous vipers. I think that's because everything else they have ever tried to grow in Olive Hill, Kentucky (except moonshine) didn't grow worth a damn, either.

I was also trying to find some dude by the name of [REDACTED], who used to live in Olive Hill, Kentucky about fifteen years ago or so. No, not another Roman General; but a Pfc in the United States Marine Corps. I even thought about sending the whole United States Marine Corps to Mesa, Arizona just to give your daughter a Xmas present.

I gave that idea up, too. I haven't been in the United States Marine Corps for fifteen years, so I don't think that everyone still in it remembers me. Besides, I was only a Sargent; and, I think that I would have had a little trouble pulling rank on all the Generals, just so I could borrow the entire United States Marine Corps for a while. Even if it was just for delivering a Xmas present for your favorite daughter.

By the way, the reason I was looking for a Pfc in the United States Marines (in Olive Hill, Kentucky) instead of a Roman General (in Rome or Egypt or wherever they keep Roman Generals these days) was for two reasons:

- 1) This Pfc [REDACTED] dude used to be able to beg, borrow or steal the best moonshine available anywhere in the Hills of Eastern Kentucky (including Olive Hill, Kentucky). I think that before all this is over, I may have a need for some of that moonshine. So, I can go out and get bombed again.
- 2) I couldn't make any long distance telephone call from work to Rome or Egypt or wherever they keep Roman Generals these days.

Happy Holiday Season, again.

Guess Who!?

- P.S. #1 Why don't you ask your daughter if she would like to take a vacation in Olive Hill, Kentucky? That may be the only place in the world where everyone won't think that she looks like Cleopatra.
- P.S. #2 If someone there does think that she is Cleopatra, tell her to change her name again, that may do the trick.
- P.S. #3 If she wants to change her last name to mine, I may even let her borrow my credit cards, again. She may need something to survive on for a while. I heard that jobs are hard to find in Olive Hill, Kentucky; and the tourist season is a real bummer this time of the year.
- P.S. #4 No, I'm not going to let her take my check book, too. They don't take out-of-state checks in Olive Hill, Kentucky. Not even mine, and some of the people used to know me there, about twenty years ago!
- P.S. #5 And, I can't afford to go there just to open a new checking account for her. She spent all the money that I made, that she made, and everything that I could borrow. The reason she didn't spend any of the money she could Borrow, was because no one would loan her any.
- P.S. #6 If I can't get any moonshine for Xmas, I'll go out and stock up on lots of Coors. I can get bombed on that stuff, too.
- P.S. #7 and last but not least, tell your daughter that the number "1200" on your envelope means that "1199" of these things went into the mail ahead of yours. b6 b7C
- P.S. #8 Merry Xmas everyone, and lots of laughs for 1978. Or, let's all go out and get bombed on Coors.
- P.S. #9 Bye.
- P.S. #10 Again, last but not least, if I don't get my throat cut over this, I never will.

If I ever want to make any points with this new chick, who wants to become my new insurance agent or my new hairdresser or my new whatever - - - national origin unknown, but who doesn't look like another Cleopatra; I just add P.S. #11 through P.S. #20. That may do the trick.

P.S. #11 Hey New Chick, how about you taking your boyfriend to the cleaners?
So that you and I can take his bucks and can go to Las Vegas and play some blackjack or something.

P.S. #12 After we get to Las Vegas, you count the bucks that I win or that I lose.
And I play the cards.

P.S. #13 If I win some bucks, you tell me that you want half of everything that I win, and all of my next three pay checks at work. You also tell me that you need all those bucks, so that you can make your next three car payments or so that you can file for divorce from your last three husbands, whichever comes to your mind first.

P.S. #14 If I lose all of your boyfriend's bucks, you get mad. And you tell me, that you want all of your money back.

P.S. #15 Otherwise, you want to sleep in separate motel rooms for the rest of the weekend.

P.S. #16 If you don't want me to play the blackjack tables, how about a few side bets on a dice table? Sometimes I don't lose as many bucks on a dice table.

P.S. #17 I think that maybe because I don't know how to play the game, and I'm just lucky.

P.S. #18 Are you in the life insurance business, too?

P.S. #19 Do you give haircuts without a straight razor? She gives haircuts, but with a straight razor. So, I'm not going anywhere near her.

P.S. #20 If you give haircuts without a straight razor, I may even let you sell me some life insurance. And, I may even let you talk me into going to Las Vegas with you. If you take you boyfriend to the cleaners first. So, we can have some bucks to spend. I don't have any bucks of my own. She took care of that problem for me.

President Marco's: "If Johnny Cash ever sets foot in the Philippine Islands again - I will have him shot on sight! Viva La Filipino!"

John R Cash,

900,000,000 Chinese near & your gate, Cash. The Soviet Union has no use for you. All of the Arab Countries now despise you! England now thinks you a fool. 800,000,000 American think you the stupidest mind in America; perhaps the world.

Have you looked up the Laws governing Plagiarism yet? Those concerning Slavery, Grand Larceny, Bribery - oh yes, all those Tax Laws? The Declaration of Independence - "These Inalienable Rights - Life, Liberty, and the Pursuit of Happiness - are guaranteed! You broke all of these.... Did you enjoy the Cowlitz County Fair while stealing from me? J.W. Kelly Plumbing and Heating must be really fond of you after you and yours had the Green slime to back up in my bathtub, isn't that a nice way for Youth For Christ-Columbia Singer - and you to earn your way into the penitentiary (P.R. 2071). I was there once myself - "You not going to Nashville - you going to Memphis." This one was really Christian of you, - while sick from your Forced Drugs - and then when at (perhaps) your future home - Walla Walla Prison - you had them Force me to take Waldol - a drug you knew might Kill me. There are Laws about Attempted Premeditated Murder also. "Down Life's Road of Sin" - do you sing it often now? How about all of the others? How about "Nero," "A Moment Of Glory," (the entire United States Armed Forces is ready to kill you for that one) - "I'm A Dreamer," song "Beach Owners" - Book "Bosephus" You are a fuckin' idiot, and so are the rest of the motherfuckers that, "joined right in there!" You cocksuckin' faggot punk - I ought to take a 12 gauge and blow your illiterate fuckin' ass into right on a fuckin' stage! Had I known you financially backed the cocksuckin' anti-war demonstrators - you would have been ~~that~~ ~~that~~ last fuckin' place I would have went for any fuckin' thing! 12 gauge - I still may - if I have to!

The populations of Chile, Uruguay - soon all Countries of the world will be screaming for your stupid ass!

Every C.B. radio in trucks, cars, buses, is working over time asking for you and the others!

11/0000000000

How did you like "Interpretation of The Hangman."
Scared the fuckin Jesus out of [] didn't it
fuckhead. "The Little Yellow Horse" I'll have to write
again — I'll call it "The Little Yellow Man in Black."
— but of course the ending will be much different.

How any man/group of men could stand by/force the
suffering & endured during the last eleven-plus years
is impossible to believe. You are/and were more Animals
torturing your Prey. Some of you are going to go to
Death-Row — and Filming as you and the others did
aboard United States Naval Base — constituting
TREASON! This automatically means the Death Penalty.
But, then you heard me beg for death, and did not
care. Some and time again I literally begged you to
stop torturing me, but you acted like some kind
of ghoulish non-human. — the Nazis themselves
were more humane.... You spoke of Functional
Illiterates to Gov. Alexander — just what in the
fuck do you call yourself? You must have a
syphilitic morbid brain to accept an award "for
your work against illiteracy." And, then to go on
with a Christmas Special to further Rape the
minds of America — after committing the most
horrible deeds of Plagiarism — plus the other Hideous
Inhumane Acts against me! I will see you burn
in Hell, before I let a grotesque Animal like
you ever again rape the minds of America's
Children!

My Heritage is Country Music — but mostly my
Heritage is America — and "There is an Eagle Flying
Over This Country — Over Amber Waves of Grain, and
a Big Ol' Flag a-wavin' — for those that would be

Ronald G. Reagan — and you proud of your ignorant ass — getting him
to cover for you and the others and by doing so, causing him embarrassment!
You wouldn't tell him the whole truth, would you — you son-of-a-bitch!

"I guess they can call you a Jawn Trak...."
but, right now I don't think you can say: "I can hear Jawn Calling My Name."

American...." I am certain that MacArthur, Admiral "Ball" Halsey, Chester W. Nimitz, George S. Patton and have more than once turned over in their graves because of you and those that would make a mockery out of Human Decency - and by doing so - a mockery out of America. Now, there are many of us who get sick at the sound of Country Music coming over an airwave, because it may be a Plagiarized song. Wank Williams said it best - "A tongue can accuse and carry bad news - the seeds of distrust it can sow - but unless you have made no mistakes in your life - be careful of the stones that you throw." Or, Jesus, "Let he that is without sin cast the first stone." You and yours listened to neither, and now you speak of others as being Functionally Illiterate.... You and those others have brought Shame and Degradation to Country Music and to the Entertainment World. Now that I know the names of those involved - I sometimes want to personally kill all of you, and I could do so without flinching or eyelid. I haven't, because I happen to love God, the United States, and the Flag which is the symbol for all of the above.

Illiteracy is not just Reading & Writing. It Never has been.... Illiteracy in Thinking is much worse. The Civil Rights Act of 1964 should have made this plain to you. Because a person could not read or write did not mean he/she was not intelligent enough to vote! I am in Illinois - not far away. Richard M. Nixon, is about ready to initiate proceedings in my behalf - and the behalf of -
America

"I don't remember Broadway being so dirty" - it just "Country Blues" - but "Oh my Did it turn out just to be a mistake"

The purpose for this memorandum is to set forth reasons for utilization of IC's [REDACTED] in captioned matters.

In response to a telephonic request made by [REDACTED] of country music star Johnny Cash, to pick up "crank" letters mailed to the House of Cash, two IC's assigned to Nashville were utilized for that purpose. While at the House of Cash, IC's were met by Johnny Cash and they interviewed Cash re the letters.

Normally in a matter such as this Agents would be utilized; however, at the time there were no Agents available to respond. In view of Agent unavailability, plus the fact that I have a great deal of confidence in the professional demeanor of both [REDACTED] I elected to send them to the House of Cash to pick up the "crank" letters.

The IC's performed this assignment in their usual outstanding fashion and have set out appropriate lead material to identify and develop background on the subjects.

song will be fined \$15,000 Thousand Dollars if used in a
concert of any kind of any shape or form and That a person
can get 10 years in prison or Both. Why I asked for My
Song be set up That away is because My first record was
Sold and published without Me getting credit for My Song
in The 1960's and I didnt get no Money from The Song and
I was very upset and hurt from it. June My Contract
with RCA is so well Together Nobody can break legally or

god's appointed Children and I don't want you to be one of them, god has a Special Purpose for you and the ones I mention, god has give me the power to pick out these people who are special in my eyes to someday reign in heaven with him as his servant of god. He is the all mighty and most powerful god of the universe and heavens and stars and planets and of the world. Do these things for him that I mention and you'll find a big and greater change in your life and the people around you, these lives will be changed to [redacted], you a very special young lady you will be married to a young man who is not very famous or popular with people, he will grow in many ways he will become famous as a preacher and a musician it will take time on your part and his part to grow with each other and understand one another. God will be by your side and his for eternal life. Do [redacted] my little friend and someone I think a lot of, [redacted] understand this I'm about to say [redacted] Many years ago I had a drug problem like your Daddy had, my problem was about 7 times worse than your Daddy's. He's a good man but he needs to understand a lot of things about himself as a person and understanding his family and friends. Tell him to find the people he can trust the most, because someday he'll need them a lot. See [redacted] I can see into the future and I know that god is going to destroy many of your dad's friends for things they have done to people in the united States. You might lose a lot of friends and become unpopular in Country Music because this is god's way of showing you and your family that he cares in many other ways to help you and god wanted me to give you the message because someday you'll understand you are god's 2 child in a very special ways he says he loves you and he's concerned about you and you up

The purpose for this memorandum is to set forth reasons for utilization of IC's [REDACTED] in captioned matters.

In response to a telephonic request made by [REDACTED] of country music star Johnny Cash, to pick up "crank" letters mailed to the House of Cash, two IC's assigned to Nashville were utilized for that purpose. While at the House of Cash, IC's were met by Johnny Cash and they interviewed Cash re the letters.

Normally in a matter such as this Agents would be utilized; however, at the time there were no Agents available to respond. In view of Agent unavailability, plus the fact that I have a great deal of confidence in the professional demeanor of both [REDACTED] I elected to send them to the House of Cash to pick up the "crank" letters.

The IC's performed this assignment in their usual outstanding fashion and have set out appropriate lead material to identify and develop background on the subjects.

Title: JOHN R. CASH

Character: MISCELLANEOUS - CIVIL SUIT

Synopsis: AUSA, Los Angeles, California, requested limited investigation to determine the validity of an illness claimed by CASH to prevent his appearance in court. A Complaint For Damages (Fire Suppression) filed 6/23/67, USDC, Los Angeles, against CASH in the amount of \$125,127.52. Judgment entered 6/30/69, USDC, Los Angeles, in favor of government in amount of \$82,000.00.

- C -

DETAILS:

This investigation is predicated upon receipt of a request by Assistant United States Attorney (AUSA) THOMAS H. COLEMAN on February 3, 1969, to determine the validity of an illness claimed by JOHN R. CASH to prevent his appearance in court. COLEMAN stated that he was interested in obtaining the name of a reliable physician whom he could contact to examine CASH, who is home in Henderson, Tennessee. He said that CASH had been examined by [REDACTED] at Hendersonville, and this examination was the basis for his excuse not to appear.

AT MEMPHIS, TENNESSEE

On February 4, 1969, Special Agent in Charge ROBERT G. JENSEN telephonically advised Assistant Special Agent in Charge RICHARD ROGGE that AUSA ROBERT E. LEE,

b6

LA 62-6794

United States Marshal (USM) [redacted] was also advised of AUSA COLEMAN's desires and said he will communicate with [redacted] when he sees him.

b6
b7C

JENSEN stated that AUSA [redacted] advised that AUSA COLEMAN should bear in mind that CASH may not consent to an examination by [redacted] without a court order.

AT LOS ANGELES, CALIFORNIA

On July 14, 1969, a review of the file in this matter revealed that a Complaint For Damages (Fire Suppression), Civil Docket Number 67-889-S, was filed by the Clerk, United States District Court (USDC), Los Angeles, California, on June 23, 1967, asking for \$125,127.52 and alleging that a fire on June 27, 1965, destroyed 508 acres of Los Padres National Forest watershed near Sespe Creek and was started by hot gases and sparks from a defective exhaust system on JOHNNY CASH's camper-truck.

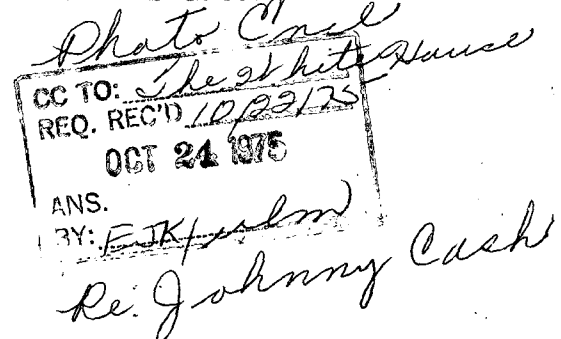

According to the suit, the camper-truck became stuck on a road along the creek, and when CASH attempted to free the vehicle, he gunned the motor, which set off the gas and sparks. The government also alleged that CASH failed to take reasonable precautions to control the fire and failed to report it to the proper authorities.

Final Judgment, and Stipulation Thereto, was entered on June 30, 1969, by the Clerk, USDC, Los Angeles, California, against JOHN R. CASH and in favor of the United States of America in the amount of \$82,000.00 with interest thereon at the rate of 6 percent per year from February 15, 1969.

JOHN R. CASH

Also Known As: Johnny Cash

Reference is made to your request for a check of FBI files concerning the captioned individual, who is a well-known country singer.

The 1969 edition of "Current Biography" indicates that John R. Cash was born on February 26, 1932, at Kingsland, Arkansas. In the event you are interested in additional background data concerning Cash, you may desire to check with the public library for the 1969 edition of "Current Biography."

In June, 1967, the U.S. Government filed suit against Cash for damages in excess of \$125,000, alleging that a fire in June, 1965, destroyed 508 acres of national forest land, which fire had reportedly been started by hot gases and sparks from a defective exhaust system on Cash's camper-truck. The Government, in the suit, alleged that Cash failed to take reasonable precautions to control the fire and failed to report it to proper authorities. On June 30, 1969, a judgment was entered in favor of the U.S. in the sum of \$82,000 together with interest.

In early 1970, sources in the Memphis Office of this Bureau in the entertainment field advised that Cash was a reformed drinker and had taken the pledge; that he had a good reputation at that time; was reportedly religious and interested in the crusade of evangelist Dr. Billy Graham. At that time it was reported that one Johnny Cash, born February 26, 1932, according to the records of the Nashville, Tennessee, Police Department, had been arrested on November 15, 1961, on "drunk" charges and had forfeited a \$5 fine.
