John Greenewald

Dear Mr. Greenewald

This is in response to your Freedom of Information Act (FOIA) request, dated 5 September 2013, that was originally submitted to the Federal Bureau of Investigation (FBI), reference 1227532-000. During the processing of your request, AFOSI documents were identified and forwarded to our office for processing and direct response to you. We received your request on 29 July 2014 and assigned tracking number 2014-06538-F.

Information from AFOSI criminal investigative records are exempt from release under the Privacy Act, Title 5 United States Code (USC) Section 552(a)(J)(2). In order to provide you the maximum amount of releasable information, we are processing your request under the FOIA. Since portions of the information requested are also exempt from disclosure under the FOIA, we have inserted the exemptions below in the attached document(s).

a. Exemption b1 protects from disclosure information about "matters specifically authorized under criteria established by an Executive order to be kept secret in the interest of national defense or foreign policy" and which has in fact been "properly classified pursuant to such Executive order." The deleted information is exempt from automatic declassification in accordance with Executive Order 13526 Section 3.3 (b) because its release would clearly and demonstrably be expected to (1) reveal the identity of a confidential human source, a human intelligence source, a relationship with an intelligence or security service of a foreign government or international organization, or a nonhuman intelligence source; or impair the effectiveness of an intelligence method currently in use, available for use, or under development.

b. Exemption b6 permits the withholding of all information about individuals in "personnel and medical files and similar files" when the disclosure of such information "would constitute a clearly unwarranted invasion of personal privacy."

c. Exemption b7c provides protection for personal information in law enforcement records the disclosure of which "could reasonably be expected to constitute an unwarranted invasion of personal privacy."

The authority for the exemptions used can be found in 5 USC § 552 and in Air Force Manual 33-302, which can be accessed via the Air Force FOIA page at <http://www.foia.af.mil/>.

If you interpret my response as not fully complying with your request, you may appeal this decision with the Secretary of the Air Force by email to afosi_hq_foia_request@us.af.mil, by mail to AFOSI/XILI, ATTN: FOIA Office, 27130 Telegraph Rd, Quantico, VA 22134, or by fax to (571) 305-8229 no later than 60 calendar days from the date of this letter. Include your reason(s) for reconsideration and attach a copy of this letter.

If you decide to appeal the FBI's redactions, you must write to them at the following address: Director, Office of Information Policy (OIP), U.S. Department of Justice, 1425 New York Ave., NW Suite 11050, Washington, D.C. 20530-0001. The letter and the envelope should be clearly marked "Freedom of Information Appeal" and the Freedom of Information Privacy Acts' request number should be cited in the letter. Please be advised that your envelope must be postmarked within 60 days of the date of our letter.

Sincerely

STEPHANIE J. COURTNEY
Chief, Information Release Branch
