Re: 12-FOI-00070

Dear Mr. Greenwald:

This is in response to your letter dated September 13, 2012, which was received by the Office of Inspector General (OIG) on September 17, 2012, in which you ask for information under the Freedom of Information Act (FOIA), 5 U.S.C. § 552. You ask for a copy of "the FOIA log for the calendar years 2010 and 2011."

Your request has been assigned OIG FOIA number 12-FOI-00070. Please use this number in all future correspondence concerning this matter. For purposes of this request, you have been categorized as a "news media requester." As such, you are charged fees for document duplication, except that the first 100 pages of paper copies (or the equivalent cost thereof if the records are in some other form) will be provided without charge. The OIG will not charge such requesters for document search and review.

The OIG is required to use multi-track processing per 43 C.F.R. § 2.26. FOIA requests are placed in one of two tracks based on the amount of time needed to process the request: 1) Simple (1 -5 workdays); and 2) Normal (20 workdays). Your request has been placed in the normal track.

A search was conducted and two documents were determined to be responsive to your request. The two documents a total 17 pages. All 17 pages contain some information that is being withheld.

Deletions have been made of information that is exempt from release under the provisions of 5 U.S.C. §§ 552(b)(6) and (b)(7)(C). These sections exempt from disclosure items that pertain to: (1) personnel and other similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy and (2) records of information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information could reasonably be expected to constitute an unwarranted invasion of personal privacy. Exemptions (b)(6) and (b)(7)(C) were used to protect the personal privacy interests of an individual who made a FOIA/Privacy Act request who is the subject of a report of investigation, interviewees, and witnesses named in the investigative file. Under the Privacy Act,

5 U.S.C. § 552a, OIG may not disclose information contained in a system of records without the prior written consent of the individual to who the record pertains.

If you disagree with this response, you may appeal the decision by writing to the following address no later than 30 workdays after the date of the final response:

FOIA Appeals Officer  
U.S. Department of the Interior
