RE: Freedom of Information Act (FOIA) Request No. BOEM-2017-00041

Dear Mr. Greenewald:

This letter is in response to your FOIA request dated January 1, 2017 and received by the Bureau of Ocean Energy Management (BOEM) on January 3, 2017. Your request has been assigned request number BOEM-2017-00041. Please refer to this number in any future correspondence with our office regarding this request.

Description of the Requested Records

You requested a copy of the calendar or fiscal year 2016 FOIA request log for BOEM.

Final Response

Because you asked for the agency's FOIA log, BOEM ran the "Bureau FOIA Log Report" in DOI's electronic FOIA tracking system on January 18, 2017. The Report was run for fiscal year 2016. Our search resulted in the retrieval of the attached FY16 Bureau FOIA Log (eleven pages total) that is responsive to your request. We are releasing it to you in full in the format in which it was generated in the electronic FOIA tracking system. Please note that fields in the log marked, "Exempt," contain information that has been deleted because it is covered by FOIA Exemption 6. Exemption 6 protects "personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy." 5 USC § 552(b)(6). However, since we are releasing the Bureau FOIA Log Report as it exists in our records, we consider this response to be a full grant of your request and the records are attached.

Fees

We have classified you as an "other-use" requester. As such, we may charge you for some of our search and duplication costs, but we will not charge you for our review costs; you are also

entitled to up to 2 hours of search time and 100 pages of photocopies (or an equivalent volume) for free. See 43 C.F.R. § 2.39. Inasmuch as there were no billable costs incurred for this request, it has been processed at no charge to you.

Mediation Services

The 2007 FOIA amendments created the Office of Government Information Services (OGIS) to offer mediation services to resolve disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. Using OGIS services does not affect your right to pursue litigation. You may contact OGIS in any of the following ways:
