<u>2009-FSIS-00001-A</u>	See Appeal letter dated May 8, 2009.	Nestor, Felicia	06/08/2009
<u>2009-FSIS-00002-A</u>	The requester, Mr. Jim Dougherty, asked J. Oval in a phone conversation on Aug 7, 2009, if there are other records besides e-mails that could help determine what proportion of the DVMS' time is spent on humane slaughter compliance – which is really the info he is after. If there are, he will submit a FOIA for those records instead of pursuing litigation over the fee waiver for e-mails for FOIA Appeal 08-415A. OFO provided a spreadsheet that provided the data Mr. Dougherty desired, so we released that under FOIA 09-315. Consequently, this FOIA Appeal has been withdrawn.	Eisnitz, Gail	10/24/2008

<u>2010-FSIS-00001-A</u>	The withheld information does not meet the standards for withholding under FOIA Exemption 4. Withholding the records do not stand up to the two prongs of the National Parks test: 1. Release of the information would impair the government's ability to acquire this information in the future; and 2. Release of the information would cause substantial competitive harm to the competitive position of the person from whom the records were received.	Stormont, Leana	04/27/2010
