FOIA Case: 84040A
4 April 2017

JOHN GREENEWALD
[REDACTED]

Dear Mr. Greenewald:

This responds to your Freedom of Information Act (FOIA) request dated 24 March 2016 which was received by this office on 24 March 2016, for "a copy of the FOIA Appeal Logs for calendar years 2014, and 2015." For purposes of this request and based on the information you provided in your letter, you are considered an "all other" requester. As such, you are allowed 2 hours of search and the duplication of 100 pages at no cost. Since processing fees were minimal, no fees were assessed.

Your request has been processed under the FOIA, and the FOIA appeals logs for calendar year 2014, and 2015 are enclosed, along with a FOIA Case Dispositions reference sheet that explains the final case dispositions. Please be advised that the logs do not contain the number of pages released. They contain a final disposition if the case was closed at the time the logs were created. If there is no final disposition, the case was still pending at the time the logs were created. Certain information has been deleted from the enclosures.

This Agency is authorized by various statutes to protect certain information concerning its activities, as well as the names of its employees. We have determined that such information exists in these documents. Accordingly, those portions are exempt from disclosure pursuant to the third exemption of the FOIA, which provides for the withholding of information specifically protected from disclosure by statute. The specific statute applicable in this case is Public Law 86-36 (50 U.S. Code 3605).

Personal information regarding other individuals has been deleted from the enclosures in accordance with 5 U.S.C. 552 (b)(6). This exemption protects from disclosure information which would constitute a clearly unwarranted invasion of personal privacy. In balancing the public interest for the information you request against the privacy interests involved, we have determined that the privacy interests sufficiently satisfy the requirements for the application of the (b)(6) exemption.

In most cases requesters seeking the FOIA/FOIA Appeals logs agree to omit Privacy Act or first-party requests from the logs. Please be advised, therefore, that when processing our FOIA/FOIA Appeals logs, we typically remove first party requests as non-responsive, since they represent requests from individuals seeking information on themselves. Those entries, in addition to being exempt under (b)(6), are also marked as non-responsive.

Since these deletions may be construed as a partial denial of your request, you are hereby advised of this Agency's appeal procedures. You may appeal this decision. If you decide to appeal, you should do so in the manner outlined below.

- The appeal request must be in writing and addressed to:

NSA/CSS FOIA/PA Appeal Authority (P132)
National Security Agency
9800 Savage Road STE 6932
Fort George G. Meade, MD 20755-6932

- The request must be postmarked no later than 90 calendar days of the date of this letter. Decisions appealed after 90 days will not be addressed.
- Please include the case number provided above.
- Please describe with sufficient detail why you believe the denial of information was unwarranted.
- NSA will endeavor to respond within 20 working days of receiving your appeal, absent any unusual circumstances.

You may also contact our FOIA Public Liaison at foialo@nsa.gov for any further assistance and to discuss any aspect of your request. Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. 77610	27-May-14	KURAPOVNA	MARCIA	<p>I am currently working on a non-fiction book regarding a member of the monarchy of Liechtenstein, with emphasis on the economic growth of the post-World War II, Cold War, and contemporary era of that principality. (1) I am looking for a recording or transcription of a conversation between the reigning Prince of Liechtenstein Hans-Adam II and the German magazine Der Spiegle, dates sometime in 1993; 2) The conversation concerns a meeting between the Chancellor of Germany at the time, Helmut Kohl, and the Prince of Liechtenstein Hans-Adam II regarding post-World War II war reparations and a work of art owned by the Liechtenstein family; 3) At the time, to give his side of the story, Prince Hans-Adam II spoke at length with a journalist from Der Spiegel magazine. The article was going to be published. Then, suddenly, its publication was stopped. That original interview was never published; something else was published in its place; 4) It is suspected that the cancellation of the interview came on orders from German intelligence (the Bundesnachrichtendienst or "BND"). That the BND and the US shared much information during this time, I "assume" that the US (the NSA) might have a copy of one of the following: a) A recording of the conversation, b) A transcription of the conversation, c) A copy of the terminated magazine article from Der Spiegel</p>	Denial of Information	GLOMAR

80786	8-May-15	SHULMAN	JACK	<p>All records and information about all the following subjects: The NSA and its Directors, notably Keith Alexander, have made public information about what they described as a new area of Signals Intelligence, known as "Biological Carrier Wave" Communication, which in lay terms appears to refer to "brain wave" or mind-to-mind communications which seems to refer to "mental telepathy." Director Alexander also started publically and in writing, that this alleged area of Signals Intelligence should be exclusively under NSA jurisdiction and control. I'm looking fro all records and information about this interesting subject. I'm also looking for his speech texts about BIOLOGICAL CARRIER WAVE and related subjects, particularly those covered in the press and/or made to Congress along with all the documents and records associated to the above. The timeframe for the sought document is 1985 through the present day.</p>	Denial of Information	Not Closed
