CITE TEHRAN

TO: USCINCEUR VAIHINGEN GERMANY

PERSONAL FOR GENERAL HAIG FROM AMBASSADOR HELMS

Delighted to know you will be able to arrange an early visit to Tehran in your new capacity. Cynthia and I very much hope that Pat and you will stay with us at the Residence. We have a slight problem with the almost coincident arrival of Aileen and Russ Train, who, according to arrangements made several months ago, will also be staying with us. Therefore, I wonder if it would be convenient for you to switch the Ankara and Tehran stops so that we may get the Trains organized before we receive you. Warmest regards. Dick.
