HMMA

- Security: There were no security incidents during this period.
- Agent Personnel: The termination of these two Agents З. came as a severe shock to both; they were not prepared for it. They have adapted fairly well and now are looking forward to their new life in Spain. They intend to depart Mexico for Madrid on 1 September.
- Production: Production for this period was normal until 20 June when it ceased permanently.
- Administrative/Finance: There was a large amount of administrative detail involving Headquarters and the Station in the resettlement of these two Agents. discussed in separate cable traffic. Costs excee This has been Costs exceeded the programmed amount because of the large severance pay paid both agents who had over ten years service each. OZ(KDAFGHAN-1 was paid U.S. \$8,170.00 and (KDAFGHAN-2 was paid U.S. \$2,228.48.
- We have no plans to replace (KDAFGHAN with another Plans: strictly photo-surveillance project. The production does not justify the cost. However, we do have plans to obtain a multipurpose basehouse in the area that can serve as a site for taking photos when necessary, serve as a LP for future audio operations against AMFINK, and as a base from which to dispatch a future surveillance team. The DRRIMFN section has already started to The PBRUMEN section has already started the surveillance team. search for agent assets who, in turn, can look for an appropriate site. The acquisition of the latter will be the most difficult as rental property is at a premium in the AMFINK area. Headquarters will be kept informed of our progress.
