

This document is made available through the declassification efforts
and research of John Greenewald, Jr., creator of:

The Black Vault

The image shows a close-up of a heavy, metallic vault door. The door is partially open, revealing a bright blue glow from within. The door has several large, circular mechanical components and bolts. The lighting is dramatic, with the blue glow contrasting against the dark background.

The Black Vault is the largest online Freedom of Information Act (FOIA)
document clearinghouse in the world. The research efforts here are
responsible for the declassification of hundreds of thousands of pages
released by the U.S. Government & Military.

SUBJ: Contact Report/LITAMIL-9

PERUMEN

Attached, for addressees, are copies of Subject contact reports dated 11 May, 14 May, and 15 May 1963.

Willard C. CURTIS

EXCERPT of ATTACHMENT:

On the night of 10 May 63, I met LITAMIL-9..... LITAMIL-9 reported as follows:

1. [redacted] told L-9 that he had been with Dolores DE LA MCRA Cepeda and that DE LA MCRA asked for L-9. L-9, of course, will take advantage of [redacted] remark to make contact with DE LA MCRA. L-9 commented that the fact [redacted] was with DE LA MCRA is interesting. It will be recalled that "Conchita" FERNANDEZ told L-9 to be careful with DE LA MCRA because she is a contact of CLERGE Fabra, Cuban G-2 type.
