MEMORANDUM FOR THE FILE OF: [REDACTED]

FROM: Office of the Personnel Director

1. On 6 June 1952 this office arranged with National Selective Service Headquarters to have the above-named subject's active duty orders cancelled. This action was taken because, due to his training and experience, it was felt that the subject would be of more service to the United States as an employee of the Central Intelligence Agency than he would be as a member of the Armed Forces.

2. Should the subject resign or otherwise be separated from CIA, please notify this office immediately in order that this cancellation action may be revoked and the subject will be made a free agent.

SECURITY INFORMATION

SECRET

I am aware of the fact that the Central Intelligence Agency, by reason of the sensitive nature of its work, must observe very strict security measures. I agree to honor the requests of CIA relative to my application whether it be accepted or rejected. I agree not to inform anyone that I am being considered for a position in CIA. If questioned directly, I will say that I have applied for positions in various government agencies, and if pressed for an answer will acknowledge that CIA is one of them but will attach no particular significance to such application. I agree not to disclose personnel procedures I have observed in CIA. I agree not to discuss by name or otherwise, any individuals with whom I have talked in the course of my application to CIA.
