JFK

1/10/88

MEMORANDUM FOR: Chief, Historical Review Group

FROM: Fredrick C. Wickham, Jr.
DO, Focal Point for ARRB

SUBJECT: Position on Release of Cryptonyms, Country Designators, Action Indicators and Employee True Names

During the period since the ARRB last met, the DO has considered the four issues listed below that have not yet been addressed with the Board. These issues appear throughout the JFK collection and by stating our position up front we hope to facilitate the Board's review and to reach an agreement that will be mutually satisfying to the Board and the Agency.

Cryptonyms - Except for cryptonyms related to operational assets or activities involving Mexico or Miami, the Agency will release the main component of cryptonyms and withhold only the two-letter digraph. Treating cryptonyms in this manner will protect the nationalities of individuals and operations that are not pertinent to Oswald or the JFK investigation and render an easier reading of the written material.

Country File Designators - We will delete the first element of operational activity and operational interest files in those instances when the credibility of the narrative is not affected. The first element of the file number corresponds to the alphabetical position of the country name which is easily discernible, whereas the subsequent two elements relate to type of activity or interest and specific subject.

Action Indicator (Slug) Lines - Generally, we will release the entire action indicator line of a document. Occasionally, however, we will withhold portions when the

context identifies a source or a relationship with a specific liaison service.

True Names of Staff Employees - In most instances we will release names of employees who have retired in an overt status and were serving in Headquarters when cited in a document. We will continue to protect the true names of employees cited as serving in a field position. References to field personnel in true name are uncommon, however, since pseudonyms are normally used in correspondence between Headquarters and the field.
