MEMORANDUM FOR: Fred Wickham
FROM: Barry Harrelson
SUBJECT: ARRB Request re Angelton and Scott

1. Jeremy Gunn, ARRB staff, has requested (via telephone) access to the following files/documents:

a. Winston Scott documents, including the entire manuscript It Came to Little, and personal effects seized on Winston Scott's death;

b. files of James Angelton housed in the CI vault.

2. As [] handled the recent FOIA litigation brought by Michael Scott (Win's son) for all documents on his father, Linda has copies of documents responsive to Gunn's first request in her office. I have spoken with Linda and we agree that, with your concurrence, the best course of action would be to have Gunn view the Scott documents and manuscript at OGC. You should be aware that during the course of that litigation, searches were conducted to locate personal effects seized by CIA upon Scott's death. Those effects were never located, but a destruction record that seems to refer to these personal effects was located and provided to OGC. Gunn would need access to that destruction record as well.

3. The second request of Gunn also was an issue in the Scott FOIA litigation. At that time the DO told IP&CRD that all Angelton documents were sorted through in the 1970s and that a separate CI Angelton holding no longer exist. Official files were incorporated into DO record system and material not deemed to be official records were destroyed. To the extent that any destruction records exist on Angelton's records, Jeremy would like to see these as well. Linda and I suggest that the DO search for any such destruction records and forward them to OGC. In this way, Jeremy can view them at the same time he views the Scott documents.

4. Jeremy has agreed that if CIA allows him to view the above records "informally" and he finds nothing that relates to the assassination, then he will not make an "official request" for these records. Of course, any records he believes to be relevant, he will have to make an official request and they will then become part of the JFK Collection.
