**SUBJECT:** Gunn request re Angleton

I spoke with Jeremy - he will be coming to HQS tentatively next week to look at Scott documents. As you will recall, he also requested to look at Angleton documents or destruction records of Angleton documents. As the DO previously informed OGC in the Scott case, Angleton documents were either incorporated into the DO records or were destroyed. Is there any way that the DO can search its records systems so that it would locate any destruction records on Angleton files??? If this is possible, I would appreciate it if you could send me copies for Jeremy's review next week.

A second request he made was if he could see the copies of documents we released to FOIA requestor Tom Mangold (the unredacted versions). Since these files are also sitting in my office, I suggest that I make these available to him when he comes to see the Scott files. Let me know if this is OK with the DO. Of course, I would only show him CIA documents and not any documents referred to us from FBI (which is the majority of our Mangold file).
