SUBJECT : Assassination of President John F. Kennedy

1. In the course of our research of files pertaining to areas of the USSR in which Lee Harvey OSWALD allegedly resided, a photograph of an individual closely resembling OSWALD was uncovered.

2. Our files indicate that this photograph (Attachment A) came from a color transparency taken in Moscow, USSR, on or about 11 August 1961, by an American tourist, Mrs. Monica F. KRAMER, whose address at the time was P. O. Box 985, Solvang, California.

3. The photograph appears to have been taken in Tsentral'naya Ploshchad' (Central Square), which is located in the center of Moscow. The building in the background has been identified as The Palace of Culture. Six people are depicted in the photograph. The individual second from the right, appears to be Lee Harvey OSWALD. It should be noted that the shirt this individual is wearing appears to be identical to the shirt OSWALD is wearing in two photographs from the group of 47 photographs from the effects of OSWALD which were forwarded to this Agency in your communication of 3 March 1964, file number (S) 103-82365, subject: Assassination of President John F. KENNEDY. Copies of these two photographs of OSWALD are forwarded with this report as Attachment B.

/Road, Solvang,

San Francisco, California, who is possibly the female person from the left in the photograph. None of the other individuals can be further identified.

The report of this contact, UC-B-3, 212,967, dated 21 March 1962, subject: Realities/Fires Parade/Interrogation in Moscow Following the Giving Away of a US News Magazine, is forwarded as Attachment C.

b. Mrs. KRAMER, who is described as "an older companion" in the source description of Attachment C, furnished this Agency with 160 color transparencies taken during the trip. Attachment A is only one of the five transparencies of which negative copies were made and retained by this Agency. All of the 160 original color transparencies were returned to Mrs. KRAMER.

7. Miss NAMAN, referred to as "a college graduate" in the source description of Attachment C, provided this Agency with one reel of Super color movie film taken during the trip. The film was viewed by this Agency and was subsequently returned to Miss NAMAN.

8. This Agency has had no further contact with either Mrs. KRAMER or Miss NAMAN subsequent to the contact reflected in the report forwarded as Attachment C.

9. This office would be interested in any pertinent information which interviews of Mrs. KRAMER and Miss NAMAN by your office might possibly provide along the following lines:
