# The Black Vault

---

The image shows a close-up of a heavy, metallic vault door. The door is partially open, revealing a complex internal mechanism with multiple locking bolts and a central handle. A bright blue light emanates from the gap between the door and the frame, creating a strong glow and casting shadows on the surrounding metal. The overall aesthetic is industrial and mysterious.

The Black Vault is the largest online Freedom of Information Act (FOIA)  
document clearinghouse in the world. The research efforts here are  
responsible for the declassification of hundreds of thousands of pages  
released by the U.S. Government & Military.

B. HMM-A-16968, 5 May 1961, etc.

1. Headquarters appreciates the Station's cooperation in forwarding LIENVOY transcripts on a weekly basis so that interested components could review these reports and thus be in a better position to evaluate the project. Headquarters was pleased to note that the Station is exploiting leads to the extent of its capability and has been reporting in intelligence format the positive information of value.

2. It will no longer be necessary for the Station to forward copies of the LIENVOY transcripts on a regular basis. Only those conversations which are believed to have special significance need be transmitted in their entirety.
