STANLEY in a long rambling telephone conversation told MITCHELL that DAVID WILLIAM FERRIE and JOHN J. MARTIN, both of show were then "Bishops" in STANLEY's church were in Louisville, Kentucky, in November, 1961. (ARE JOHN STANLEY, 4018 Vermont Avenue, Louisville, Renturky, advised as follows:

He is the "Wost Reverend CHRISTOFFER MARIA STANLEY" and is 'Archbishop of the Netropolitan Eastern Province, American Orthodox Catholic Church". STANLEY exhibited a number of documents purporting to support his identification. STANLEY advised as follows:

In July, 1961, upon the recommendation of "Bishop"

JOHN J. MARTIN then of 1311 North Prieur Street, New Orleans,
Louisiana, he and MARTIN consecrated DAVID VILLIAN FERRIE as
a Bishop in his church. FERRIE, STANLEY said, was identical
with the individual receiving publicity in New Orleans in
connection with the investigation being conducted by District
Attorney GARRISON there. It is noted that FERRIE's death had
been reported. FERRIE was "deposed" as Bishop in January, 1962,
at which time STANLEY claimed to have learned from an Eastern
Airlines representative that FERRIE had been discharged by
Eastern Airlines because of homosexual activity. STANLEY said
that FERRIE had been discharged by a Captain GRENNIER whose
address was International Airport, New Orleans, Louisiana.

Last year or the year before" MARTIN was in Louisville "from Thanksgiving to the twenty-fifth of February".

MARTIN drinks a great deal and while drinking on one occasion told STANLEY that LEE HARVEY OSWALD and FERRIE were "buddies" and that MARTIN was also "connected with them". In discussing FERRIE, STANLEY criticized MARTIN for having recommended FERRIE as a "Bishop". MARTIN at that time said he would shoot FERRIE if he could get FERRIE in the right place and that "FERRIE was also in that plot to assassinate the President". STANLEY named one JERRY DE PUGH Reddress unknown, reputedly a relative of Teamsters Union President JAMES MOFFA, and GEORGE AUGUSTINE HYDE, "a Bishop in another church," 1657 Park Road, Northwest, Washington, D. C., characterized by STANLEY as a homosexual, as associates of FERRIE and MARTIN.

Later in the interview when asked to repeat this information, STANLEY placed the date MARTIN gave him the informatio

مامه دی ما as Sandary 3 1966, and Said MARTIN had said that FERRIE, DE PUGH, MARTIN, 17DE, and LEE MARVEY OSVALD lived together, worked together, were close friends, and were connected with a Cuban organization. When STANLEY asked MARTIN, "You mean LEE HARVEY OSVALD was with you?" MARTIN "clammed up" and would talk no more about it. In answer to a direct question STANLEY said MARTIN had not mentioned the assassingtion specifically.

It is noted that STANLEY indicated that MARTIN had talked to him about the association of FERRIE, OSWALD, himself and the others on only one occasion although STANLEY gave three different versions.

Beginning about January 5, 1967, STANLEY received two telephone calls from JERRY DE PUGH in New Orleans, Louisiana, asking that STANLEY come to New Orleans to start a mission and a church newspaper. Thereafter, STANLEY received a third call from DE PUGH, whose voice he recognized but who did not identify himself, telling STANLEY "if you open your mouth about us, I will shoot you". STANLEY explained "they knew MARTIN had talked to me and had referred to the plot against the President".

STANLEY said that "about a month ago" he called the Chief of Police at New Orleans giving him the above information about the association between OSWALD, FERRIE, MARTIN, DE PUCH, and HYDE. STANLEY said he offered to go to New Orleans but the Chief of Police told him it would not be necessary.

obtained from MARTIN previously because the Warren Report indicated that there was no conspiracy involved in the assassination of President KENNEDY. STANLEY indicated that he was reporting this information now because from recent newspaper publicity it appeared that there might be a plot.

STANLEY continued "MARTIN had a connection with CASTRO because he asked me to consecrate a Bishop to go to Cuba".

Later he said he did not know whether the Cuban organization with which he alleged OSVALD, MARTIN, FERRIE, DE PUGH, and HYDE to have been connected was pro or anti-CASTRO. Still later STANLEY said he had received a telephone call from Colonel "something or other," the head of an anti-CASTRO group in New Orleans. STANLEY said he could not recall the name of the Colonel but said he had read about him in the newspaper as the head of an anti-CASTRO group.

LS 106-620

STANLEY said that WARTIN, when in Louisville, carried 100.32 caliber revolvers. STANLEY said he had argued with MARTIN about carrying these revolvers.

STANLEY exhibited what purported to be a record of the 'consecration" of FERRIE as a Bishop. This record indicated FERRIE's address as of 1961 as 331 Atherton Drive, Metarie, Louisiana.

STANLEY said that MARTIN in 1963 and 1964 resided at 207 Mason Street, Muston, Texas, and worked as a writer for a newspaper. MARTIN during this period also corresponded with STANLEY from New Orleans and STANLEY feels WARTIN is now it New Orleans. WARTIN claims to have been in the Air Force (during World War II, has worked for CIA, and carries numerous police "commissions". MARTIN has indicated that it is his job to spy on other policemen. While in Louisville, MARTIN reputedly worked for "Echo Blue," the publication of the Fraternal Order of Police. STANLEY described MARTIN as a white male, 45 to 50 years old, 5 feet 9 inches tall, 150 pounds, wears glasses. STANLEY described DE PUGH as follows:

White male, short, chunky, dark hair, and complexion, 35 to 40 years old, 5 feet 7 inches tall, and tough when drinking.

STAMLEY has never seen <u>HYDE</u> but said that RYDE had been arrested for homosexual activity in Washington, D. C.

At the beginning of this interview when STANLEY was first approached. STANLEY said he would not talk to an FBI Agent but would talk only to the police officers. He refused to give a reason for not talking to an FBI Agent, but thereafter when the interviewing Agent offered to leave, STANLEY suddenly changed his mind and agreed to talk to police and the Special Agent together.

Agent of the FBI that he had been refused a permit for a fund drive to raise funds with which to build a church. He claimed that the permit had been refused on the basis of an FBI arrest record which he claimed did not pertain to him. Stanley voluntarily submitted to fingerprinting. A set of his fingerprints were submitted to the Identification Division of the FBI following which the following Identification Record was furnished under date of March 18, 1966, FBI No. 136085:

On February 23, 1967, Major Priest Fry, Chief of Detectives, Louisville Police Department, advised that the Detective Bureau of the Louisville Police Department has a file of Stanley but that that file is currently in possession of the City Law Department in connection with a suit brought by Stanley against the City of Louisville apparently in connection with the refusal of the City to issue a fund soliciting permit to him. Major Fry indicated that he knows Stanley as mentally unstable and as a con-man.
