Action Required: As stated in paragraph 3.

1. As reported in Reference A, paragraph 1, the medical/vocational rehabilitation program has reduced the number of individuals receiving monthly medical dependency payments to six "hard core" cases. One of this number, a serious medical case who resides locally, [redacted] is funded by Garcia Lines. The background of the cases and previous correspondence with Headquarters regarding resolution of the problem is contained in References B through I. Being forwarded Under Separate Cover are Attachments A, E and F, the case histories for (HERNANDEZ), PEREZ, and [redacted] of special interest is Reference C which forwarded case histories on [redacted] and POZO for analysis and comment by the Medical Staff. Medical reports originated subsequent to the submission of the Reference C report and are being forwarded Under Separate Cover as Attachments C, D and E.

2. The current status of each of the remaining cases is summarized as follows:

- a. (HERNANDEZ Hernandez, Raul) (201-290405)
EPILEPSY

Receiving outpatient treatment from Dade County Department of Public Health Anti-Convulsive Clinic. A Clinic report dated 31 May 1966 states that (HERNANDEZ) continues to have seizures which the Clinic is attempting to control by medication. (Attachment A.) (U/S/C)

(Attachment B) (U/S/C)

c. ⁸[REDACTED] (201-284434)

the Hospital recommends that Subject continue under
psychiatric outpatient care for at least another

f. ⁶[REDACTED] 201 not
(available)
BLIND (Advanced glaucoma)
Receiving outpatient care at Jackson Memorial Hospital.
(Attachment F) (U/S/C)

3. It is requested that the Headquarters reviewing ⁶action ⁶
described in Reference C for handling the cases of [REDACTED]
and (POZO) be expanded to include all the remaining cases and that
JMWAVE be informed of the conclusions reached concerning the
ultimate disposition of these cases.

4. FYI. An amount of \$250,000 was originally authorized
for the medial phase of the AMBUD Program. Expenditures under
this program have reached a level of approximately \$245,000 with
bills outstanding at the present time of \$3,250. It is evident
that the cases remaining which require medical treatment as
outlined above will necessitate the expenditure of sums in excess
of this amount.
