# The Black Vault

---

The image shows a close-up of a heavy, metallic vault door. The door is partially open, revealing a complex internal mechanism with multiple locking bolts and a central handle. A bright blue light emanates from the gap between the door and the frame, creating a strong glow and casting shadows on the surrounding metal. The overall aesthetic is industrial and mysterious.

The Black Vault is the largest online Freedom of Information Act (FOIA)  
document clearinghouse in the world. The research efforts here are  
responsible for the declassification of hundreds of thousands of pages  
released by the U.S. Government & Military.

[Subject is the Cuban intelligence officer who recently defected in Canada.] [Austin Horn, CIA, furnished the following to the Liaison Agent on 4/27/64: *(S)(u)*]

A CIA representative travelled to Canada on 4/24/64 to interview the subject. This interview was subsequently conducted in collaboration with the [RCMP]. Preliminary reports indicate that subject's knowledge of Cuban intelligence activities is restricted to Central and South America. He has not furnished any information concerning intelligence activity in the U. S. The interview has not been completed and CIA anticipates that subject should have considerable information pertaining to the Cuban intelligence organization in Cuba. *(S)(u)*

As of 4/27/64 CIA was taking steps to arrange for subject's entry into the U. S. If his entry is arranged through INS, CIA will continue with the interrogation in the Washington, D. C. area. *(S)(u)*

The Liaison Agent has requested that the Bureau be immediately apprised of any information of interest to the Bureau.
