Reurlets 3/16/64 and 4/1/64, Bulet 3/25/64 and
NYairtel 4/2/64.

Enclosed are two copies of a letterhead memorandum
classified "Secret" dated 4/10/64, concerning captioned
individuals.

One copy of this memorandum is enclosed for Dallas
and one copy is enclosed for New York.

The enclosed memorandum is the same as the one
submitted by you with your letter of 3/16/64. It was amended
to include the information furnished by you in your letter of
4/1/64 and also to include the information in referenced
New York airtel. For your information, this memorandum has
already been disseminated to the President's Commission and
to Central Intelligence Agency (CIA).

As you know, the information received from MEX-18 (u)
and MEX-19 concerning the comments and speculations of
Elizabeth Catlett Mora, in itself, raises pertinent questions.
There is a need to obtain further details from Mora.

Mora has commented that the Communist Party (CP) of
Mexico was interested in obtaining all available information on
Oswald's trip to Mexico and concerning how much American
authorities knew about this. Although you have advised that
no confirmation of this information has been received from any
other sources, you are advised to restate this in your next
letterhead memorandum concerning Mora and set forth specifically
the number of sources who have been contacted and appropriate
comments concerning them, not only as to their reliability, but
also as to their being in a position to furnish information
about the CP of Mexico. (u)

Mora has also advised that Mary Louise Camacho, nee Patterson, knew Oswald while he was in Russia. [Greater detail from Mora on this point is extremely pertinent since CIA may have Camacho questioned in Russia about what she knows of Oswald and his activities while there] (S)(u)

Finally, Mora has furnished some information on Oswald's visit to the Cuban Embassy in Mexico City. We should determine all Mora knows about this visit and where she obtained her information.

This matter must be pursued in depth until we have fully explored and exhausted all of Mora's information. These questions, which the original information received from Mora have raised, cannot be left unanswered and [MEX-18 and MEX-19] should be made fully aware of this. Of course, in receiving further information from Mora, care must be taken to distinguish that information which is speculation and belief on Mora's part from that which is factual. (S)(u)

Advise immediately whether [MEX-18 and MEX-19] have recontacted Mora for the two- or three-day period as planned. If so, promptly furnish letterhead memorandum suitable for dissemination. (S)(u)
