Reference is made to your letter dated August 21,
1961, your reference CSCI-3/766,810 (S)(u)

A review of this Bureau's file on subject fails to
reveal that he wrote bank drafts to active communist workers
with the possible exception of Alicia Morine Fuentes. With
regard to her, the only allegation that she was an active
communist worker was made in February, 1941, by a person whose
reliability was unknown to the United States Embassy in
Mexico City, D. F. Our investigation failed to substantiate
this allegation and you were so advised by letter under above
caption dated September 24, 1959. Furthermore, at the time
subject's bank draft to her was written (February 10, 1958),
subject and Morine Fuentes were both connected with the Mexican
Mission to the United Nations, a fact which tends to reduce the
intelligence significance of this payment. (S)

Based on information in the files of this Bureau it
appears inadvisable to include in your summary [redacted]

[redacted] that subject wrote bank
drafts to active communist workers or to suggest that he "was
used as a means of financing Communist Party activities." (S)

NOTE: This letter is classified "Secret" because it contains information so classified by CIA (S)(u)

CIA seeks to pass a summary of information concerning subject to [redacted] and has requested permission to (S) include the following in this summary stating it comes from our files: (S)

"During his New York City tenure, he was known to write bank drafts to persons known to be active Communist workers. It was suggested that he was used as a means of financing Communist Party activities." (S)(u)

CIA stated above conclusion "was apparently based on numerous Bureau reports written during 1957 and 1958." CIA refers specifically to only one bank draft, it having been written by subject to [Alicia Merino Fuentes] and states that our (S) report dated 10/12/56 contained information that she was an active communist. This report was in the case on Merino Fuentes (S) and the only allegation that she was an active communist was the 1941 allegation made to the Embassy in Mexico. Bureau has developed no information indicating payees of other bank drafts written by subject had subversive associations or sympathies. (S) (u)
