Special Group (Augmented) meetings at which General Carter participated and discussions of Cuba and/or Cuban overflights during the period August 15 to November 14, 1962. This file contains a memorandum dated October 16, 1962, from General Carter to the Special Group Augmented, Subject: "Operation MONGOOSE Sabotage Proposals." Paragraph 1c of this memorandum contains a proposal that the CIA undertake "grenade attack on the Chinese Communist Embassy in Havana, to be carried out by a recruited Cuban agent who has access to a roof overlooking the embassy garden and who has volunteered for this mission."

The second file in this collection is entitled simply "MONGOOSE." This contains nothing relevant to the assassination inquiry.

Next in this collection in a large manila envelope on which is written in ink the following notation: "Separate cover attachment to ER75-5938." This envelope contains miscellaneous papers related to MONGOOSE. The documents in this envelope contain, among other things, a long list of potential sabotage targets within Cuba. I found no reference to assassination, either explicit or implicit.

The next file examined is marked "Cuba Special Subject." This file also contains miscellaneous papers relating to Project MONGOOSE, none of which contain any references to assassination.

The last item of this MONGOOSE package consists of a bulky loose-leaf binder of papers assembled for General Carter's reference of significant things that happened during the period of August to October, 1962. In this notebook, the Inspector General has already flagged entries which refer in any way to Operation MONGOOSE. I have examined all such entries.
