NO: 315, September 20, 11 a.m.

ACTION DEPARTMENT 315, INFORMATION MOSCOW, PARIS UNNUMBERED

Director Shell-Conakry told Embassy officer September 19 his company fueled Aeroflot IL-18 going to Brazil with Soviet women athletes and Cubana IL-18, both August 27, upon direct orders President Toure and Cabinet. Fuel paid for by GOG. Though Embassy generally confident it will get news bloc aircraft flights between Conakry and Americas within 24 hours after event, GOG could order security fueling operation Cubana and Soviet planes telling Shell keep silent leaving Embassy in dark.

Since no longer clear check through kerosene Embassy information less precise and less rapid. Any effort to check by asking GOG clearly counterproductive.

[redacted] reported above flights.
