The Honorable Henry B. Gonzalez,
Chairman,
House Select Committee on Assassinations
2312 Rayburn House Office Building
Washington, D. C. 20515

Dear Mr. Chairman:

I am saddened but understanding regarding your letter of resignation going today to House Speaker Thomas ("Tip") O'Neill as Chairman of the Select Committee on Assassinations.

Out of my associations with you and your personal staff during all of the days following the introduction of your original Resolution, H. Res. 204 - to establish a Select Committee on Assassinations to reopen for investigation our political assassinations in America -- with its accompanying long waiting periods for its acceptance and approval, the volumes of supportive correspondence handled and legislative steps taken by you and your staff, the time and effort expended within the confines of your office and on the House floor, your total sincerity and understandable dedication in launching your crusade -- to see such dedicated personal effort and sacrifice sabotaged, twisted, maligned and brought to such fruitless finality -- in complete sadness and empathy I want you to know I share with you in your moment of total surrender to utter futility. For it is my absolute belief your "dream" of establishing a Select Committee and staff for the purpose of "solving" these assassinations has been unscrupulously distorted by others - lacking your desire for truth and justice - to instead establishing a Select Committee and staff deeply involved in "creating" assassinations: in my opinion, Mr. Chairman, a tragedy, but more, a disgrace.

Mr. Chairman, as I wrote you at the time of my appointment to the staff of the Select Committee on Assassinations, " . . . I am honored and proud to serve you still," -- upon your resignation, that same honor and pride dictates my request to be immediately terminated as a member of the staff of the Select Committee on Assassinations.

The Honorable Henry B. Gonzalez -2-

Congressman Gonzalez, as always, you have my understanding and active, loyal support.

Supplemental Sheet

4. EMPLOYMENT RECORD (Contd.)

Those periods of time lapse that appear in my record were during times when I was either remaining at home to care for my family's needs, or was engaged in the performance of temporary assignments as a secretary-typist for outside businesses and professions. Secretarial/typing duties were performed for many and varied individuals, businesses and professions, some herein listed: railroads, stock brokers, oil companies, medical colleges and hospitals, fashion industry, U. S. Government, motion picture distributors, business and financial consultants, universities, advertising, insurance, and others.

*

(Covington & Burling Law Firm - Reason for leaving: Personal).

When hired by this firm I understood that I was to work directly for an associate of the firm in Food and Drug law who reportedly was "very difficult" to work for; I found this to be true and reported it to the Head of the Secretarial Department. I would have had to remain in the typing pool awaiting another secretarial opening within the Firm. I decided I could do better elsewhere. This associate has since been let go by the Firm, I understand.

(Mesirov, Gelman, Jaffe & Levin Law Firm - Reason for leaving: Personal).

I was hired originally as Executive Secretary to the Law Office Administrator. Within two weeks I was promoted, with the title of Administrative Assistant, with the promise of a pay increase within 60 days. Within that time I received another promotion to Supervisor-Administrative Services, but no increase in salary, as promised. When I approached him regarding his promise of raising my salary to a figure warranted (his words) for my work responsibilities, I was given unacceptable reasons why this increase was not forthcoming. I came to understand my appointment in the capacity I served in the Firm was a matter of reorganization and unknown to the Managing Partners. I took the matter to the President's (U.S.) Price Board and was advised the LOA undoubtedly was not receiving the approval of Management regarding the LOA's decision at reorganization. I saw nothing to do but resign from the Firm.

Dear Mr. Feeney:

In response to your request by telephone last evening, I herein express my interest in serving on the Committee under the Chairmanship of Congressman Thomas N. Downing to reopen investigations into our nation's political assassinations. Extensive work with Ms. Gail Beagle, Administrative Assistant to Congressman Henry B. Gonzalez on H. Res. 204, Congressman Gonzalez' resolution to establish a select committee for the purpose of reopening for study the various political assassinations, brought me in contact with volumes of material and correspondence relative to the assassinations, and on occasion I talked personally with those interested and in support. I would consider it a high honor to participate with those endeavoring to pursue truth and justice in this vital matter and have made my interest known to you with the full knowledge and approval of Ms. Beagle.

You may be assured of my dedication and zeal.

Respectfully,

Edyth H. Baish

Mr. Richard A. Sprague,
Acting Counsel and Director
House Committee on Assassinations
2135 Rayburn House Office Building

Dear Dick:

Attached is a resume for Mrs. Edyth H. Baish, whom I highly recommend to you for a secretarial position on the committee staff. Mrs. Baish is a highly professional secretary -- hardworking and competent. She has worked for me on a parttime basis for more than four years. She presently has her own secretarial service, but would like to forego this effort in order to concentrate on a full time job with the committee. She is available to be interviewed by you at your convenience.

Mrs. Baish and I have previously discussed her application with Tiny and Rick. I will be glad to talk with you further about her, if you would like.

With warmest regards, I remain

Sincerely,

Gail J. Beagle,
Administrative/Press Assistant,
U. S. Rep. Henry B. Gonzalez
