④ 18 Oct. 1960

Conversation with Major Victor M. Panque (Comandante Diego, 6 October at 900).

When Panque arrived in Miami, he got together with Alianza de Liberacion through Dr. Luis Conte Aguirre. He could not get immediate help from this group, so resigned. Alex said he had tried to get help from U.S. govt. but unsuccessful.

Panque is convinced that the only thing needed to overthrow Castro is arms & supplies. Has a plane which he intends to fly into Cuba with cargo of arms.

Author of memo recommends that CIA offer assistance to Panque independent of all other organizations as he seems to be capable of becoming an important factor in the future.
