SELECT COMMITTEE ON ASSASSINATIONS

NAME Furman Boggan Date 2/23/78 Time 3 p.m.
Address Thibodaux La. Place Nichols State College
Thibodaux, La.

Interview:

On 2/23/78, Select Committee on Assassinations Investigators Harold D. Leap and Robert Buras interviewed former FBI Furman Boggan at the Nichols State College Campus Police Office relative to the investigative response of the New Orleans FBI office to the assassination of JFK and the Security investigation of LHO prior to the assassination.

Mr. Boggan advised that he was employed by the FBI and stationed at the New Orleans field office from 1956 to 1969. Most of his duties at this time involved Police Training, however, he did assume additional duties as assigned by the SAC of the office.

Boggan said that LHO was the subject of a security investigation prior to the assassination. The case officer for the investigation was Milton Kaach. Boggan said he did not assist in the investigation. S/A assigned to the Security unit at that time consisted of Milton Kaach and Warren DeBrueys and several other agents whose names he could not remember. The unit reported directly to the SAC, Harvey G. Maynor.

FURMAN BOGGAN INTERVIEW

Boggan stated that the allegations that the Bureau received advanced notice that JFK would be killed in Dallas on November 22, 1963 and that LHO was an FBI informer were entirely false.

Leap asked Boggan if any of the N.O. S/As had been censored for their handling of the LHO investigation. Boggan said S/A Kaach was not censored because of the LHO investigation. Boggan said if Kaach had been censored he certainly would have been aware of it.
