DAILY SUMMARY

CG 6576-C* advised that on 2/4/63 conversations were had on two occasions concerning the Metropolitan Sanitary District of Greater Chicago. It is noted that both local and Federal Grand Juries have been hearing testimony concerning scandals in the Sanitary District.

Metropolitan Sanitary District of Greater Chicago

During the afternoon of 2/4/63, ~~TONY~~ TISCI conversed with ~~PAT~~ MARCY. This week CG 6498-PC identified TISCI, a young Chicago attorney, as being the direct representative of SAM GIANCANA with the officials of the First Ward regular Democratic and regular Republican organizations. He advised that TISCI is married to GIANCANA's younger daughter and is an extremely capable, personable man who makes a very good appearance. This information has more or less been corroborated previously through CG 6576-C*. MARCY, of course, is the secretary of Alderman JOHN D'ARCO of the First Ward and is in reality the guiding genius of the First Ward Democratic organization.

TISCI: SCHIEDT says somebody is stoolin' cause they know everything about this guy. South America, everything. They asked him does NOVELLI or any of the other contractors have syndicate backing? And CHESROW's application in the insurance company, they are asking about every deal that went on. Who is NOVELLI? He chaims he don't

Information Concerning ANTHONY DETOLVE

During the afternoon of 2/4/63, former State Senatore FRED ROTI came in and conversed with MARCY concerning the fact that ANTHONY DETOLVE is shooting off sparks and is angered due to the fact that it was his understanding that he was not only to be made Alderman but Ward Committeeman of the First Ward as well. ROTI and MARCY's conversation continued as follows:

ROTI: He says he has \$50,000 that JOHN was supposed to make him a judge and he (obs) him. He says JOHN (obs) up on five things. He says I can't get along with him. He says I hate his (obs) guts and he hates my guts. He says it's never gonna work out.

MARCY: Don't worry about it, you don't worry about nothin'.

ROTI: He says if he's gonna have his office here, I don't want my office here.

MARCY: I let him know. I told him, listen, there are certain things I ain't never gonna tell you! You're not supposed to know certain things. Now drop it there! You were told that, I told you that. He says I don't have to listen to you. I said that's right you don't, I'm not your boss. But if you don't listen to me you're making a big mistake! Then he changed his tune.

ROTI: I think BERNIE GLICKMAN, who is real close to him, may be giving him ideas. You know he's a nice fellow all right, but he's pretty cute. He says I didn't want this, he wanted a judgeship.

BERNIE GLICKMAN is identical with a PCI of the Chicago Office.
