REC-35

Office Memorandum • UNITED STATES GOVERNMENT

TO : Director, FBI (92-2717)

FROM : Legat, Rome (92-68) (P)

SUBJECT: ANGELO BRUNO, aka.
AR

DATE: 8/3/64

Re telephone call to Bureau from Legat, Rome, on 8/1/64 and Bucab dated 8/1/64.

As the Bureau was advised by referenced telephone call, on 8/1/64 Doctor ARISTIDE MANOPULO, Central Bureau, Criminal Division, Italian National Police, Rome, Italy, advised that one ANGELO BRUNO, presumably the subject, had arrived at the Milan, Italy, airport on an unknown flight from Amsterdam, Netherlands, during the afternoon of 7/31/64. Upon his arrival at the airport, this BRUNO presented Italian passport number 541830 issued to ANTONIO ESPOSITO, born at Naples, Italy, on 6/18/11. This passport had been issued by the Italian Consulate in Frankfurt, Germany, on 7/3/62. The passport appeared to be authentic, but the photograph therein had been changed thereby falsifying the passport. Italian police in Milan seized the passport. So far as was known, this BRUNO had no other passport with him.

Doctor MANOPULO advised that, although not verified, it appeared that this BRUNO left from Edmonton, Canada, on Canadian Pacific Airlines flight 382 on 7/30/64 enroute to Amsterdam. He arrived at Amsterdam at 10:15 a.m. on 7/31/64 and proceeded to Milan by air, arriving sometime during the afternoon of 7/31/64. (G-1)(u)

By some as yet unknown method, the passport control police at the Milan Airport recognized this BRUNO on his arrival in Milan and recognized the passport he bore as having been falsified. (G-1)(u)

Since this BRUNO bore a falsified passport, he was not permitted to enter Italy, but was placed aboard KLM flight 342, which left Milan for Amsterdam, Netherlands, at 2:25 p.m. on 8/1/64. (G-1)(u)

[On the basis of the above information from the Italian police which they indicated pertained to the ANGELO BRUNO who is the subject of this case, Legat, Bonn, was telephonically advised of the foregoing and was requested to alert Dutch police authorities.] (S) [G-1][u]

Since referenced Bureau cable reflects that the subject of this case was in New York City during the afternoon of 7/31/64, it appears, as referenced Bureau cable indicates, [that the information furnished by the Italian police] pertained [G-1][u] not to the subject of this case, but rather to ANGELO FRANK BRUNO, FBI #5677.

This matter was discussed on 8/3/64 with Doctor LEOPOLDO BALDESSARRE, Central Bureau, Criminal Division, Italian National Police, Rome. Doctor BALDESSARRE will attempt to obtain a copy of the falsified passport for our study and will, in the meantime, keep all stops concerning the subject outstanding. Doctor BALDESSARRE will also advise this office of the manner in which the Italian police in Milan reached the conclusion that the ANGELO BRUNO who arrived in Milan on 7/31/64 was identical with the subject of this case.
