Reurairtel 12/27/63. Authority granted to pay Evelio Alpizar Perez up to an additional \$200 for services rendered following additional developments in this case on a C.O.D. basis.

1 - 105-78969 (Alpizar)

**NOTE:** Evelio Alpizar Perez is Cuban exile and pilot who has been furnishing Miami Office extremely pertinent and detailed information concerning activities of the captioned anti-Castro organization. The information Alpizar furnished related to bombing raid against oil refinery in Cuba to be flown by Alpizar. Alpizar furnished information almost daily in this matter, identified plane, boats and personnel to be utilized in the raid. As a result of Alpizar's information we were in position to keep all interested agencies currently advised of all developments. On the basis of Alpizar's information Customs was able to seize the two boats three and one-half miles off the Florida coast. These boats contained the crew members of the plane to be used on the raid and several bombs. This seizure thwarted the plans for the raid. Alpizar has previously furnished information concerning plans to bomb another oil refinery in June, 1963, which resulted in the seizure of the plane and the bombs as the plane was about to leave Miami on the raid. Alpizar refused to accept compensation in connection with this previous raid. Due to the great amount of time and effort Alpizar has spent in voluntarily assisting Miami in the current planned bomb raid he has been paid \$75 on 12/12/63 and \$100 on 12/24/63. EVELIO ALPIZAR PEREZ, Cuban exile and pilot who resides Miami, has been furnishing this office some highly important info, beginning 12/11/63, and almost daily up to the present time, with regard to this case. The information he has been furnishing relates to a bombing raid against an oil refinery at Nuevitas, Camaguey, Cuba, by means of a plane which will be flown from Bimini, Bahama Islands. ALPIZAR is scheduled to be the pilot of this plane.

The plane, a Piper Aztec, SN N-4811-P, is scheduled to be flown by another individual from Broward International Airport to Bimini where it will be left on airport runway overnight. The Cuban pilot and crew are scheduled to arrive by boat at Bimini under cover of darkness, load the plane with bombs and fly from Bimini to the Cuban target and back, still under cover of darkness, and return to Miami in their boat.

The info furnished by ALPIZAR has been double checked wherever possible, and it appears he has been furnishing excellent and accurate information.

The raid is now scheduled for 12/27/63 after several postponements caused by adverse weather conditions and by motor trouble with the first plane selected.

This office has been keeping other local agencies, such as U.S. Customs, U.S. Coast Guard, Border Patrol, FAA, State Dept., U.S. Attorney, ONI, G-2 and OSI advised of developments in this case. U.S. Customs and FAA have primary jurisdiction. All of these agencies have expressed great interest in this operation and it appears that without the cooperation of ALPIZAR, these plans might have proceeded without detection. U.S. Customs plans to seize the boat and the bombs as they depart Florida waters.

In 6/63 ALPIZAR furnished information in the case entitled "MIGUEL ALVAREZ JIMENEZ, aka; ET AL (alleged plan to bomb Shell Oil refinery, Havana, Cuba, 6/15/63), NM" (Bufile 2-1810), which resulted in seizure by Customs of a plane and bombs as the plane was about to depart Miami on a bombing raid.

ALPIZAR refused to accept compensation on that occasion; however, due to the great amount of time and effort he has spent voluntarily in assisting this office in instant case, he has been paid \$75.00 on 12/12/63 and \$100.00 on 12/24/63.

It is requested the Bureau authorize this office to pay him up to an additional \$200.00 for services rendered, following additional developments in this case, on a C.O.D. basis.

Consideration is being given to opening a new 134 case on ALPIZAR.
