

This document is made available through the declassification efforts  
and research of John Greenewald, Jr., creator of:

# The Black Vault

---

The image shows a close-up of a heavy, metallic vault door. The door is partially open, revealing a bright blue glow from within. The door has several large, circular mechanical components and bolts. The lighting is dramatic, with the blue glow contrasting against the dark background.

The Black Vault is the largest online Freedom of Information Act (FOIA)  
document clearinghouse in the world. The research efforts here are  
responsible for the declassification of hundreds of thousands of pages  
released by the U.S. Government & Military.
