investigation.

DALLAS

AT DALLAS, TEXAS. 1. Will obtain toll calls charged to telephone at subject's residence and thereafter set forth information with pertinent leads.

2. Will maintain coverage of the subject's contacts and activities through information furnished by informants and sources.

3. Will continue to conduct spot surveillances to verify subject's activities and contacts.

ADMINISTRATIVE

Information received from informants and through surveillance indicates subject continues to spend a considerable amount of his spare time working in the yard at his residence. It is noted that one informant residing across the street from the subject states that on the week end he can observe the subject working in the yard a majority of the time.

The New York Office at the request of the Dallas Division contacted informants having some knowledge of the structure of the LCN, and identity of LCN members concerning JOSEPH CIVELLO. The following informants were contacted with negative results:

NY-4018-C-TE;
NY-4729-C-TE;
NY-3461-C-TE;
NY-5042-C-TE;
NY-3936-C-TE;
NY-4498-C-TE.

The New York Office advised that NY-4857-C-TE was not reinterviewed as requested by Dallas in that New York Office was having difficulty in contacting this source.
