the Chi Chi Club in Palm Springs at this time. He stated he does not remember the name of the place he stayed at at that time as he was only there for a few days.

SWIFT advised that he had been misunderstood when questioned on August 26, 1963 and he told of GIANCANA being with FRANK SINATRA, DEAN MARTIN and EDDIE FISHER at Las Vegas. This was reported in referenced Miami teletype to Bureau, 8/26/63.

SWIFT said that last season he was with GIANCANA when EDDIE FISHER opened at the Eden Rock Hotel on Miami Beach and FISHER made a big fuss over the subject and sat at his table. He stated that DEAN MARTIN also acted the same way when GIANCANA caught his act last season at Miami Beach. He stated that SINATRA also seemed to afford GIANCANA differential treatment at the time he saw them together at Palm Springs. PCI stated he was sorry if he had been misunderstood when previously interviewed.

It could not be determined if PCI was denying being with GIANCANA in Las Vegas because of fear of having to testify to this at some later date or had actually conveyed the wrong impression innocently when first questioned. PCI stated he has not been in Las Vegas since June, 1962. ()

If New York or Las Vegas has any information contrary to this, kindly advise Miami so PCI's reliability can be evaluated.

PCI advised that he has never heard of subject owning any property in the Florida. He advised that he and subject and PHYLLIS and CHRIS MC GUIRE once visited a house just below Palm Beach, Fla., during one of GIANCANA's visits to Fort Lauderdale, which GIANCANA advised that a friend of his had for sale. SWIFT said the house seemed to be worth about \$30,000 but was on an excellent waterfront lot. This house is apparently the one owned by LES KRUSE, an associate of GIANCANA, and its location has long been known to the Miami Office.

Contact with PCI SWIFT will be maintained.
