In enclosed letter to addressee MADER (JULIUS MADER, Bufile 105-134594), East Berlin, subject states he has read MADER's book, "Who's Who in CIA" and wants a copy of it although he found it lacking in several respects, as specified. Subject is involved in research on CIA and the assassinations of President KENNEDY, ROBERT KENNEDY and MARTIN LUTHER KING and asks if MADER would be willing to provide information to American researchers who (like himself) are not satisfied with official explanations of the deaths. He defines his other areas of interest, noting that information compiled thus far by him is contained on some 6,000 computer cards punched since January. He hopes for an exchange of information with MADER and refers the latter to the Yipster Times, P.O. Box 392, Canal Street Station, New York City, for a copy of his cross index. (S-1)(C)
