subjects of separate case files currently closed in the New York Office, those files reflect that IBANEZ voluntarily departed the United States for Cuba February 7, 1956, in the face of deportation proceedings, and was accompanied by his American-born wife, AGNES. They were last known to be in Cuba.

New York further advised that a thorough search of indices and various logical files pertaining to the NMU was unsuccessful in further identifying an individual mentioned by the subject as "ROMAN," whose wife assigned work at the NMU hiring hall in 1948.

On August 20, 1963, SIDNEY A. DAVIS, Assistant Chief, Records Section, INS, New York City, advised SA WILLIAM F. MARTIN [that RAYMOND G. BROWN was discontinued as an INS informant.] DAVIS said that BROWN is incarcerated in Leavenworth Federal Prison, Leavenworth, Kansas, serving a sentence for a narcotics violation. (S)(u)

On September 12, 1963, OSCAR COLTON, INS, New York City, advised that Inspector JOHN P. REILLY was in the hospital and would not be available until October 15, 1963.

With regard to the lead set out for the Houston Office to attempt the review of files and check of informants who might have been familiar with CP activities in the Galveston - Houston area in 1948, Houston stated as follows:

A review of Houston files indicated that Houston letter to New York with subject caption reported that one HARRY A. SCOTT, JR., who had been a PSI of Houston in 1948 and whose symbol of HT-3003 was cancelled January, 1949, at which time his services were discontinued, furnished information on May 29, 1948, to SE FRANCIS J. BUECHE. Houston stated with regard to SCOTT that there was no indication in the file that any of his information had been incorrect and he was discontinued because he did not appear to grasp the importance of extreme discretion regarding contact with Bureau Agents. Houston advised that SCOTT's present whereabouts was unknown and that he had not been contacted as far as the Houston Office knew since January, 1949. Information furnished by SCOTT on May 29, 1948, is set out in the body of the report

indicated the last office of origin on that individual as Buffalo; however, in 1952, GREENBERG stopped over in Houston for a brief period of time and was carried as a PSI of the Houston Office because he was cooperative in furnishing information regarding his past activities with the CP and the activities of others. In August, 1952, it was indicated that GREENBERG was in Los Angeles, California, and a lead was set out for Los Angeles to interview him. By letter dated October 3, 1952, Los Angeles advised that the last known whereabouts of ROBERT HARRY GREENBERG was 1026 Cleveland Avenue, Niagara Falls, New York.
