Captioned individual is a Major in Fidel Castro's army in Cuba.
Westbrook ~~X~~ Pegler has been very interested in this individual and contemplates writing a lengthy article concerning him sometime this week.

Morgan has a rather lengthy juvenile criminal record and it is reported that he has joined the Communist Party since being in Cuba.

Pegler called me late Friday night, 5-15-59, and stated that Morgan is reported to be in Miami, Florida, at the present time buying airplane parts for the Cuban army. Pegler had no address or further facts but stated he thought we might like to know of this information.

ACTION:

It is suggested this memorandum be referred to the Investigative Division for information.
