Re Bureau teletype to Minneapolis, 10/10/72,
authorizing polygraph examination of JAMES MARCUS RAY.

RAY was afforded a polygraph examination 10/16/72
by SA HERBERT F. BRICK, Chicago Office, at St. Louis County
Jail, Duluth, Minnesota. A "Waiver of Rights" and "Consent
to Polygraph Interview" forms were signed by RAY.

As the Bureau is aware, RAY is being held on both
Bureau ITSMV charges, and local first degree murder charges
for a murder he allegedly committed in the Duluth, Minnesota
area, 9/12/72.

RAY's attorney, JOHN DUFFEE, Duluth, was present
at the jail during the course of the examination, but was not
present in the room during the actual polygraph interview.
Prior to the interview, DUFFEE advised that he would permit
his client, RAY, to take the polygraph examination only if the
pertinent questions asked would be restricted to the PIPER
kidnapping.

MP 7-567

DURFEE further advised, confidentially, that he did not believe that RAY would be a good polygraph subject, inasmuch as he considered RAY to be a pathological liar.

The charts of RAY's responses to the various pertinent questions in the examination tend to indicate that he is not directly involved in the kidnapping, that he does not know who committed the kidnapping, nor would he refuse to tell the FBI if he knew who did kidnap Mrs. PIPER.

However, due to the restrictions placed on the test questions by RAY's attorney, which prevent the establishment of a suitable control question for relative comparison with the pertinent questions; and further consideration of the fact that RAY may actually be a pathological liar, the examiner's opinion must be qualified, and the test results considered indefinite.

RAY, during the examination, was a generally cooperative subject and made no apparent effort to defeat the purpose of the examination. It is noted, however, that he refused to attempt to explain his responses on the charts to the question, "Was the money you spent since last July part of the PIPER ransom?" He firmly stated that he had told the FBI about the source of this money which he had obtained prior to the PIPER kidnapping and he refused to discuss it any further.

At the end of the examination period, RAY stated that he would be willing to continue the examination at a later date in an effort to definitely establish his innocence in regard to the PIPER kidnapping.

MP 7-567

The Minneapolis Office concurs with SA BRIICK, Chicago polygraph examiner, that RAY be afforded an additional examination subsequent to the remaining polygraph examinations to be afforded in this case.

The charts obtained, and list of questions asked, are being retained in the Minneapolis case file.

Re Bureau teletype to Minneapolis dated 10/10/72, authorizing polygraph examination of WILLIAM MARCUS RAY, and Minneapolis airtel to Bureau dated 10/17/72, reflecting results of first polygraph examination of RAY.

RAY was afforded a second polygraph examination 11/10/72 by SA HERBERT F. BRIICK, Chicago Office, at the St. Louis County Jail, Duluth, Minnesota. "Waiver of Rights" and "Consent to Polygraph Interview" forms were signed by RAY. RAY's attorney, JOHN DURFEE, Duluth, was present at the jail during the course of the examination but was not present in the room during the course of the actual polygraph examination. Prior to the interview, DURFEE reiterated the stipulation that he would permit his client, RAY, to take the examination only if the pertinent questions asked were restricted to the PIPER kidnaping.

Based on the charts obtained today, 11/10/72, it does not appear that RAY is directly involved in the kidnaping or that he knows who committed the kidnaping.

Sufficient reactions to control- and guilt-complex-type questions were obtained to provide a basis of comparison with relevant questions. Additionally, no responses indicating deception were noted during the "Word Association Test" in which the names of various locations actually involved in the kidnaping were mentioned, along with names of no significance.

The charts obtained, "Consent to Interview," waiver forms and questions asked are being retained in the Minneapolis case file.

RE: WILLIAM MARCUS RAY,
also known as
Mark Savage

WILLIAM MARCUS RAY, also known as MARK SAVAGE, is presently in the St. Louis County Jail pending court action on a first degree murder charge. RAY is originally from Montgomery, Alabama, and was considered a suspect inasmuch as he did resemble the photograph of one of the Unknown Subjects in the PIPER kidnaping. Investigation at Superior, Wisconsin, reflected that one MARK SAVAGE, who was believed to be identical with RAY, was alleged to have attempted to purchase a mobile home, at which time he reportedly showed large sums of money.

THOMPSON stated that during the period of time from March, 1971, to July, 1972, he had worked almost exclusively in that area of the store selling handcuffs. He stated that the photograph of ROBERT ALLEN THOMPSON bears some resemblance to an individual who used to patronize the store. He could not recall any specific handcuff sales. He thought, however, that it is possible that a BRUCE LONDON, 12 Howard Gnesen, Duluth, Minnesota, a customer of the store who has purchased firearms, may have purchased a set of handcuffs.

RE: WILLIAM MARCUS RAY.

On 4-17-73 ELI MILITICH, Narcotic Squad, Duluth, Minn. P.D. advised that on 4-16-73 GALE RACHUY of 519 No. 22nd Avenue West had contacted him and requested that he contact the FBI as he had some information relative to the Piper case. Attached is FD 302 showing interview with RACHUY. It will be noted that none of the information furnished by RACHUY correlates with the actual facts in the Piper case. It will also be noted that he did not recognize any of the Artist's photographs nor did he recognize William Marcus Ray.

GALE RACHUY, 519 No. 22nd Avenue West, Duluth, Minnesota advised he was in the St. Louis County Jail at the same time that William Marcus RAY was in this institution. He stated he talked to RAY several times and RAY furnished him information that lead him to believe he may be involved in the Piper kidnapping. RACHUY stated he cannot recall in detail everything that Ray told him but did recall that Ray remarked that three men were in on the kidnapping. The three were BERGERUD whom Ray was subsequently charged and sentenced, and another man who had been in St. Cloud reformatory or in Stillwater State Penitentiary. BERGERUD was not going to be cut in on the ransom and he told RAY that he was going to go to the Police and that is the reason Ray killed him. Rachuy stated when Ray heard that Bergerud was going to the Police, he grabbed him by the tie and hurled him against the wall and left. Bergerud apparently was knocked unconscious and died when he was unable to catch his breath. RACHUY also stated that Ray had told him that all three of the men involved had taken turns staying in the woods with Mrs. Piper. Also that while Mrs. Piper was in the woods she cried a lot and requested to be allowed to return home to her husband. The money from the kidnapping or at least Ray's share was put in a foreign bank. The actual kidnapping as Rachuy recalled was that the kidnappers called telephonically to the PIPER residence and requested her to come outside. When she came outside they kidnapped her. During the time Mrs. PIPER was held in the woods in Fond du lac the two men who were not with her had stayed in a house nearby and had observed the area for security.

RACHUY was shown ~~xxxxxxx~~ the artist's conception photographs of the Unknown Subjects in the Piper case and he could not identify any as anyone he knew. In this connection he was also shown a photograph of William Marcus RAY and he also did not recognize him.

GARY SIMMING, currently employed as a Deputy Sheriff, St. Louis County, Duluth, Minnesota, advised as follows:

SIMMING had previously worked as a retail sales clerk for Norm's Reliable for a period of nine months, terminating April, 1972. His particular station was in the area of weapons, cameras, and so forth, and in this particular area, handcuffs were displayed and sold. When handcuffs were received from the supplier, they would be "dumped" in a drawer under the display counter; and if the cuffs were sold in numbered sequence, it would be an accident, as they were all "jumbled up" in the supply drawer. The Detective Romo brand handcuffs were retailed for \$9.95. SIMMING could not recall any specific sale of handcuffs; however, he recalls that he believes it was sometime in January, 1972, that an individual entered the store and talked to him about purchasing handcuffs but had not ever actually made a purchase. He recalls this person to be in his mid-40's, 5' 8", 180 pounds, round face, thinning hair, and had a fairly heavy build.

The following photographs were exhibited to SIMMING:

Memorandum

TO : SAC, MINNEAPOLIS (7-567) (P)

DATE: 9/21/72

FROM : SA DAVID W. WADE

SUBJECT: PINAP

On instant date Detective Lieutenant BARBER, Duluth, Minnesota, Police Department, telephonically contacted the writer and advised as follows:

BARBER stated that he was currently conducting an investigation regarding an individual identified by him as WILLIAM MARKUS RAY, aka Markus Savage and Mark Eric Savage, DOB 7/15/39, FBI #730 258 C, white male, 5'10", 150-180 lbs., blue eyes, sandy hair, tattoo of Jesus on his back, tattoo of the flag of Alabama on his right arm, tattoo of a heart and "MARGIE and MARKUS" on his left arm.

BARBER stated that he was investigating the death of one VERNON BERGERUD of Duluth which occurred on 9/12/72. He stated that from his investigation he was able to determine that both RAY and BERGERUD were in BERGERUD's 1969 Cadillac, four-door DeVille, Minnesota license MCL 857, (black vinyl over royal blue), SN B9236886. On 9/12/72 they were both seen by an individual named BONNIE OLSON, Duluth, JOHNSON who was allegedly RAY's girlfriend. On 9/13/72 RAY returned to OLSON's alone in the 1969 Cadillac and allegedly told OLSON that he had purchased same from BERGERUD for \$2,000. JOHNSON'S

According to BARBER, on the night of 9/12/72 BERGERUD's residence was burned down and his body was found inside. He stated that investigation to date indicates that BERGERUD was dead prior to the fire. BARBER is now searching for RAY as a suspect regarding the death of BERGERUD.

According to BARBER, his investigation thus far has revealed that RAY is from Montgomery, Alabama, and is allegedly the subject of a UFAP warrant, specific violation unknown.

He stated that from talking to a Sgt. ARETT of the Montgomery, Alabama, Police Department, he was able to identify RAY as being identical to MARCUS SAVAGE, the alias used by RAY in the Duluth area. He added that from his questioning of BONNIE OLSON, he found that RAY originally came to Duluth on or about 7/5/72 and has been in that area ever since. He stated that RAY developed a relationship with OLSON and that from this relationship OLSON had obtained the following information regarding RAY:

During the period that she knew him, she saw in his possession \$1,700 in \$20 bills. She added that RAY would not allow anyone to touch his legs and often rubbed them. RAY allegedly attributed his injury to his having been shot. OLSON told BARBER that RAY was crazy and that he had made several allegations and claims involving himself in the murder of Dr. MARTIN LUTHER KING, Jr. and various other well known crimes. He told OLSON that at one time he was on death row (prison unknown) and that somebody is after him. She stated that RAY drinks quite a bit and that he likes Jack Daniels. He smokes Camel filter cigarettes exclusively.

BARBER stated that he had determined from the Montgomery police that RAY has relatives in Montgomery, Alabama, but was unable at the time to identify them. He stated that during the period 8/24-27/72 RAY made five telephone calls to the Montgomery area from OLSON's phone. He had not to date identified who was called.

BARBER stated that he was furnishing this information to the FBI in view of the fact that from photographs of RAY furnished to him by OLSON and the Montgomery, Alabama, Police Department, he considered RAY extremely similar to the artist's conception of Unsub #2 in captioned matter, which artist's conception appeared in the Minneapolis and Duluth area newspapers subsequent to the PIPER kidnapping.

A check regarding RAY in NCIC revealed that WILLIAM MARCUS RAY, white male, 7/15/39, FBI #730 258 C, is wanted by the Charlotte, North Carolina, FBI, their file 26-46387, date of warrant 7/18/72. NCIC check regarding the 1969 Cadillac reveals that it has been entered by the St. Paul PD on 9/12/72 and includes the annotation that it may have been involved in a possible homicide.

MP 7-567

Minneapolis indices reflect numerous references to WILLIAM RAY; however, none were readily identifiable with above-described individual.

RE: WILLIAM MARCUS RAY
aka. William Gordon Thames,
Marcus Erick Savage, Mark
Savage

On 9-22-72 SA ARTHUR SULLIVAN obtained several photographs William Marcus Ray which were obtained from Inspector of Detectives, RUSSELL BARBER, Duluth, Minnesota Police Department.

On interview with BONNIE LYNN JOHNSON, it was developed that she accompanied Ray to Minneapolis, Minnesota on 8-7-72 when they stayed at the Radisson Hotel until 8-10-72 when they returned to Duluth.

She also related that she and Ray went to Minneapolis, Minn. on 9-10-72. They were accompanied by Gary and Donna Johnson brother and sister in law of Bonnie Johnson. They stayed at the Radisson Hotel, taking rooms 316 and 318. While in MP they ate at the Nanking Cafe and also went to the Gay 90's and the Roaring 20's. RAY appeared to be well known at the Gay 90's by the Black manager.

Investigations by SA Sullivan indicated that Ray stayed at the Seaway Hotel in Duluth from 7-14-72 and has his room rent paid up until sometime in October, 1972. Telephone charges at the Seaway indicated that during a period of from 7-23-72 to 8-3-72 ~~there~~ there was a charge for one or more local telephone calls for his room, indicating that his room was occupied. Also Bonnie Anderson and or other members of her family were with RAY at Duluth on 7-28-72 as well as 7-29-72 and 7-30-72. It would appear that RAY possibility is not involved in PINAP.

LEAD: MP at MP will exhibit photos of Ray to witnesses, for possible identification.

FEDERAL BUREAU OF INVESTIGATION

Inspector of Detectives RUSSELL BARBER, Duluth, Minnesota Police Department, advised that his office was currently conducting an investigation into the mysterious death of VERNON BERGERUD, a Duluth resident. He explained that BERGERUD's body was found in an abandoned residence in Duluth which had been destroyed by fire. BERGERUD was a salesman for Beal and Howell Company and had been last seen on September 12, 1972 in the company of one MARK SAVAGE.

Investigations disclosed that SAVAGE came to Duluth, Minnesota on September 5, 1972 and had been almost constant company of one BONNIE JOHNSON, age 19, who lives with her parents, Mr. and Mrs. WADE JOHNSON at 2834 Harvey Street in Duluth, Minnesota. BARBER stated that investigations disclosed that SAVAGE came originally from Montgomery, Alabama. In an effort to determine his true identity and to develop information about him, BARBER called the police department in Montgomery, Alabama and determined that MARK SAVAGE was identical with WILLIAM MARCUS RAY, FBI Number 730 258C, who is currently a Federal fugitive on an Interstate Transportation of Stolen Motor Vehicle charge.

According to BARBER, SAVAGE was last seen in Duluth at about 1:30 a.m. on September 13, 1972 when he was stopped by Duluth police officers driving BERGERUD's 1969 Cadillac, four-door Deville, Minnesota license MCL 857. SAVAGE was ticketed for failing to have a driver's license but was released by the officer, as he was with a female companion who was a licensed driver. His companion was a hostess at the Hotel Duluth.

BARBER stated that SAVAGE's whereabouts are unknown; however, he is believed to still have BERGERUD's car in his possession. BARBER also stated that since September 13, 1972 SAVAGE has called the residence of GARY and DONNA JOHNSON, 2310 West Tenth Street in Duluth on a daily basis up until the evening of September 21, 1972. GARY JOHNSON is BONNIE JOHNSON's

brother. SAVAGE has inquired as to BONNIE JOHNSON's whereabouts and has assumed that BONNIE has left the Duluth area; however, she is staying at an aunt's home in West Duluth, Minnesota. BARBER stated that when SAVAGE called on September 20, 1972, he said he would come to Duluth September 23, 1972 to pick up his belongings, which consisted primarily of clothing. BARBER stated the police had the telephone of GARY JOHNSON monitored and are staking the house out. BARBER stated they have been unable to determine where SAVAGE is at the present time; however, in one of the conversations, they overheard children crying in the background.

BARBER said the investigation was continuing on the death of BERGERUD. A preliminary autopsy disclosed that BERGERUD was dead before the fire, as his lungs were completely clear of smoke and carbon. The body was subsequently exhumed and a pathologist's examination disclosed that BERGERUD suffered severe neck and trachea injuries leading to the belief that BERGERUD had been strangled. BARBER said they will not formally charge SAVAGE with the murder of BERGERUD until they can apprehend him on the Federal warrant, feeling that publicity will frighten SAVAGE away.

BARBER advised that he personally considered SAVAGE a suspect in the PIPER kidnapping since recent photographs of SAVAGE taken in company of BONNIE JOHNSON and GARY and DONNA JOHNSON appeared very similar to the artist's conception of Unknown Subject Number 2, which he had seen.

BARBER advised that his department had searched SAVAGE's room, 315 Seaway Hotel, in Duluth on an authorized search warrant. Nothing of value was found. He made available xerox copies of the hotel registration card which indicated that SAVAGE checked in this hotel on July 14, 1972 at 8:45 a.m. with two bags. He paid weekly rent of \$17.39 and is paid up until some date in October. BARBER was unsure of the exact date. The hotel records indicated that SAVAGE was charged a total of \$3.90 for telephone calls. This was paid on September 8, 1972.

MP 7-567

The phone calls were at the rate of ten cents each from July 14, 1972 through August 8, 1972. During the period July 23, 1972 to August 3, 1972 there was a charge for one or more local telephone calls for each day. Hotel records indicated that SAVAGE lived at 1629 Langbeau (writing illegible) Street, Monty, Alabama.

Inspector of Detectives RUSSELL BARBER, Duluth
Police Department, Duluth, Minnesota, advised on 10/2/72
that he had no objection to a polygraph examination being
given to RAY who is in custody both on an ITSMV warrant
and a murder warrant.

On 10/2/72 RAY's Attorney, JOHN D. DURFEE,

Mrs. DONNA M. JOHNSON, 2310 West Tenth Street, Duluth, advised that when she first met MARK SAVAGE, now known by his true name as WILLIAM MARCUS RAY, on July 8, 1972, at Beaner's Bar at Superior, Wisconsin, he lit her cigarette using a matchbook that had an unusually attractive design, which she believed was from the Fireplace or Fireside Inn, Chicago, Illinois. She was shown four different matchbook covers, all black in color, and she immediately picked the one from the Fireside Inn and said this was exactly like the one she had seen on July 8, 1972.

GARY JOHNSON, 2310 West Tenth Street, Duluth, Minnesota, was interviewed concerning his knowledge of WILLIAM MARCUS RAY, known to him in Duluth as MARCUS SAVAGE, and his possible connection with the PIPER kidnapping case.

JOHNSON said he first met RAY at Beaner's Bar, Superior, Wisconsin, July 8, 1972, along with his wife, DONNA, and his sister, BONNIE JOHNSON. GARY said RAY spent a lot of money while he knew him in Duluth and it must have ran into the thousands. He did not know the source of his money and RAY never explained. GARY said that the four of them attended the Tri-State Fair in Superior, Wisconsin, on Friday night, July 28, 1972, and that on Tuesday evening, July 25, 1972, he was with RAY from about 6 P.M. to 11 P.M., that they went to the Target store in Duluth together where they ran into GARY's mother and his sister, BONNIE. GARY said that RAY visited he and his wife at their home on July 26, 1972, and was there from about 4 P.M. to 10 P.M.

On Saturday, July 29, 1972, GARY was at his father's home, 2834 Harvey Street, Duluth, around noon when RAY came to the place and helped him fix the lawn mower which had broken down.

GARY JOHNSON was wearing a pair of construction worker's boots when interviewed and was asked if RAY ever had worn a similar type of shoe. GARY said that RAY did have a pair and that he was wearing them for several days around July 25 and July 26, 1972. He said they were dark brown in color and had white or cream colored crepe soles. He said RAY at all other times either wore cowboy boots or loafers.

WILLIAM MARCUS RAY was interviewed at the St. Louis County Jail, Duluth, and advised as follows:

RAY advised that he would willingly discuss his activities involving the theft of a 1972 Cougar in Montgomery, Alabama, in May, 1972, subsequently taking it to Asheville, North Carolina, and his activities since July 3, 1972, when he left Asheville, suddenly abandoning the Cougar at the home of JUDITH MORGAN. He signed a Waiver of Rights form.

He said he used the name WILLIAM GORDON THAMES, the name of the real owner of the Cougar, during his entire stay in North Carolina. He said he flew from Asheville to Washington, D. C. via Piedmont Airlines and transferred to American Airlines in Washington, and continued on to New York City where he landed at Laguardia Field. He believed the ticket cost him about \$77. He checked into the Americana Hotel in New York on July 3, 1972.

On July 4, 1972, he flew to Detroit, Michigan, via American Airlines, paying about \$66 in cash for the ticket, and stayed at the Hotel Ponchartrain for about three days. He said he believed he used the name MARK SAVAGE during these travels. He next flew from Detroit to Chicago, had a layover of about five hours, and then took a North Central Airlines flight to Duluth, Minnesota. He bought the ticket from the American Airlines counter in Detroit. When he arrived in Duluth on About July 6 or July 7, 1972, he checked into the Hotel Duluth, and stayed about seven days. He then checked into the Seaway Hotel in Duluth, which had much more reasonable rates.

He said he met BONNIE JOHNSON of Duluth, along with her brother, GARY JOHNSON and GARY's wife, DONNA, on July 8, 1972, at Beaner's Bar in Superior, Wisconsin. He said he became very attracted to BONNIE and started dating her; however, shortly after he met her she attempted a reconciliation with her husband, ROBERT CLARK, an airman at the Duluth Air Base. BONNIE was in the process of getting a divorce from CLARK.

by SA ROBERT E. WALTON; and
SA ARTHUR J. SULLIVAN AJS:dlb Date dictated 9/29/72

MP 7-567

RAY said he would call BONNIE or she would call him at the Seaway Motel on almost a daily basis during the latter part of July, 1972, and early part of August, 1972. He said he had nothing to do with the PIPER kidnapping case and knew very little about it. He recalled that on July 28 or July 29, 1972, he, BONNIE and GARY and DONNA JOHNSON went to the Tri-State Fair in Superior, Wisconsin, and Sunday, July 30, 1972, the four of them went on a picnic to Patterson Park in Superior. He said if he were involved in the kidnapping where a million dollars was taken, he certainly would not be sticking around Duluth.

RAY said he estimated he spent between \$8,000 to \$9,000 in cash from the time he came to Duluth until he was arrested by the Duluth Police Department on September 24, 1972, at which time he had less than \$1 in his pocket. When asked about the source of this money, RAY stated he had some money with him when he arrived in Duluth, and had been given approximately \$10,500 in cash during the time he spent in Duluth. He explained that about four years ago he tipped off a businessman in Alabama on a scheme where the businessman made \$486,000. He claims that what he, RAY, did was not illegal, that he was present in a hotel room either in Birmingham or Montgomery, Alabama, when \$486,000 in cash was delivered to this businessman. RAY refused to disclose this man's name or the nature of his dealings.

RAY said the \$10,500 he received was from this man in acknowledgement of the favor RAY had done for him.

RAY claims that on July 20, 1972, he flew from Duluth to Chicago via North Central Airlines in an early morning flight, rented a Ford car from Hertz, and drove to Rockford, Illinois, where he met a man by prearrangement at the Best Western Motel, which is the first one on the right after coming off the interstate. He said he had lunch with this man who gave him \$1,400 or \$1,500 in cash, and he then drove back to Chicago and flew back to Duluth that evening. This money he said was in partial payment for the services he had rendered the Alabama man four years ago.

MP 7-567

RAY said that on another occasion he received either a registered or certified letter containing \$4,000 in cash all in \$100 bills. This was received in Duluth, and he was also delivered by another man, \$5,000 in cash.

RAY said he made two trips to Minneapolis during the time he spent in Duluth. The first one was along with BONNIE JOHNSON and they flew to Minneapolis on about August 22, 1972, stayed several days at the Radisson Hotel, and returned to Duluth with BONNIE's parents, Mr. and Mrs. WARD JOHNSON, who had driven to Minneapolis to get them.

On the weekend of September 8-10, 1972, RAY said BONNIE, GARY, and DONNA JOHNSON, and he drove to Minneapolis in GARY's car, that they rented a suite, Room Suite 316 and 318, and that he paid approximately \$148 for the rooms.

When asked about the safe deposit box key #34, which he had given to BONNIE JOHNSON to hold for him, RAY, after a long hesitation, said this key belonged to him, that it was a safe deposit box key, and that he did not care to discuss it. He refused to disclose the name of the bank, but subsequently said he had rented the box in June, 1972, while he was in North Carolina, and that he had used the name SHAL ERIC RIVERS in renting the box. At that time, he said he has also used the name SHAL ERIC BRANDON.

At the conclusion of the interview, RAY reaffirmed his innocence in the PIPER case, said he had admitted his interstate transportation of a stolen car, but that he knew nothing whatsoever of the PIPER case.

RAY is described as follows:

Sex	Male
Race	White

Memorandum

TO : SAC 7-567

DATE: 10-20-72

FROM : M.O.EID

SUBJECT: PINAP

On the night of 10-16-72 RICHARD YAGODA, Detective Bureau, Duluth, Minnesota Police Department advised that he had arrested MELVIN D. PEDERSON of Duluth, Minnesota, age 23 on a charge of Contempt of Court. He stated PEDERSON is on Federal Parole for car theft and his parole officer is MELVIN SMITH, Minneapolis, Minnesota. Yagoda stated PEDERSON lives at 9428 Grand Avenue, Duluth, Minn., and that he was born 1-25-49 at Alexandria, Minnesota. YAGODA stated PEDERSON remarked to him that he had some information to offer concerning the PINAP case.

On 10-17-72 MELVIN PEDERSON was interviewed at the St. Louis County Jail in Duluth, Minn. He stated he is the brother in law of KENNETH KRONBERG who was killed in the Arturos Tavern in Minneapolis, Minn. in July, 1972. PEDERSON was in Minneapolis at the time and was outside the tavern when KRONBERG was shot. He explained KRONBERG married his sister DONNA. PEDERSON stated KRONBERG was killed by JOE BOGWEBER. He did not know specifically what the killing was about but from what he understood BALLWEBER killed KRONBERG because a sum of money was owed by BALLWEBER to KRONBERG. PEDERSON believed this involved the PINAP case because early in 1972 and as late as in May, 1972 KRONBERG used to make numerous visits to Duluth, Minn. During these times KRONBERG would get high on drugs and when he was under the influence of drugs, he would get very talkative. On one of these occasions, KRONBERG told him that a "big score" was planned and if it turned out right, he KRONBERG would no longer have to resort to "boosting" for a living. PEDERSON stated that KRONBERG belonged to a gang that went throughout the country shoplifting diamonds, jewelry, fur coats and anything else they could lay a hand on. PEDERSON stated over the years KRONBERG and his gang (whom Pederson would not identify) have stolen thousands of dollars in merchandise which PEDERSON stated would be fenced principally to FREEMAN, a big fense in Minneapolis, Minn. He stated FREEMAN owns or operates a string of department stores, and is very wealthy. PEDERSON stated he questioned KRONBERG about the "big score" but KRONBERG would not elaborate on it.

PEDERSON stated that shortly after the death of KRONBERG, his sister (PEDERSON's sister) DONNA started going with a man named VAN CLIPPER. He stated his sister did live at 4719 NorthShore in Minnatonka and she still owns this property. However she now lives on a house with VAN CLIPPER on Penn Avenue North in Minneapolis, Minn. PEDERSON stated that VAN CLIPPER is in with the boosting group in Minneapolis Minnesota, more or less on the fringe. However VAN CLIPPER knows about their activities. He stated he understood that VAN CLIPPER was to marry DONNA on 10-17 or 10-18-72.

Approximately two weeks ago PEDERSON was at his sisters home on Penn Avenue North visiting. In the house at the time besides his sister were KELLY MATTSON and a man named "Tubby". He did not know much about them other than that they were visiting. During the visit the PIPER case came up and the general remarks made at the time was that KRONBERG was mixed up in the kidnapping and that he had some money coming as a result of his involvement. They asked PEDERSON if he knew the identity of "ALABAMA" who was from Duluth and whose true name was believed to start with "DON". The group (no one specifically) requested that inasmuch as he was from Duluth he should attempt to identify "Alabama" as he was supposed to be involved in the kidnapping with KRONBERG.

PEDERSON stated that he did meet a man named DON who visited with KRONBERG possibly in May or June, 1972 at the Penny Parking lot in the Plaza, located in the East end of Duluth. At the time KRONBERG had come to Duluth and had picked up PEDERSON and they had driven to the Parking lot. The man "Don" came walking to the lot and KRONBERG got out of the car and they stood and talked in front of the car for possibly one half an hour. He described DON as MW, 6', 180, Dark brown hair, 28-30 years old. He did not hear him talk but when PEDERSON was shown photographs of Unsubs in the Piper case, he stated DON resembled him.

PEDERSON stated that he feels sure that the individuals involved in the PIPER case are from Minneapolis and that the FBI probably have already talked to them. He stated the group in his sisters house told him that they wanted to get Alabama because they felt he was in with BALLWEBER and that KRONBERG was killed to prevent him from obtaining his share in the kidnapping.

PEDERSON stated that whenever KRONBERG came to Duluth he would stay at the Hotel Duluth, the Holiday Inn or the Edgewater East or West Motel and sometimes stay at the Racison. He recalled that KRONBERG was in Duluth during the first part of July and stayed at this hotel until 7-4 or 7-5-72 when he returned to Minneapolis. He did not know who KRONBERG contacted but stated as he recalled KRONBERG did call him while he was there. He accompanied KRONBERG back to Minneapolis and stayed with him until he was killed.

PEDERSON stated that he could not recall specifically if the group that was present when he visited his sister, or whether he got it from "street talk" that the ransom paid in the Piper case was sold to a fence for \$250,000. He was asked specifically if he knew the identity of the "Fence" and he stated he did not. He replied that the only man he knew of in the Twin city area that would be capable of handling such a large quantity of money would be FREEMAN.

PEDERSON stated that he is going to try and get out on bond on his contempt charge and if he does he is going to try and develop more information on "Alabama" whom he believed to be a man named "Don". He felt that WILLIAM RAY who is in the County Jail at Duluth is involved in the PIPER case. He stated he is known as "Alabama" and is from the South. He believed Ray may have spent some time in Minneapolis.

PEDERSON stated that should he be able to get out of jail on bond he will return to Minneapolis eventually and will no doubt be staying with his mother YVONNE NORD at 1118-14th Avenue NE., Minneapolis, Minn. phone 336-1356.

It is pointed out that PEDERSON is aware that the U.S. Probation office is in the process of revoking his parole and it is felt that PEDERSON may be trying to work out some arrangement where his parole will not be revoked. PEDERSON is not specific in his statements and when trying to pin him down he becomes evasive and vague.

On 10-18-72 JUNE WAGNER, secretary at the Hotel Duluth advised her records showed that KENNETH KRONBERG of 4209 Colfax Avenue North in Minneapolis checked in this hotel on 6-30-72 and out on 7-5-72. He made one phone call from his room which was recorded as 729-7613 which was then the phone of MELVIN D. PEDERSON.

On 10-18-72 JAKE WURZIL, Edgewater East and West Motel in Duluth stated his records showed that KENNETH KRONBERG of 4209 Colfax Ave., North in MPLS checked in this motel on 3-10-72 and out on 3-14-72 skipping a motel bill of \$62.11. There were a total of 8 phone calls, none of which were recorded. KRONBERG also checked in the Edgewater West on 9-8-71 and out on 9-11-72 at which time he was with three people (identity unknown). He was driving a car with Minnesota license 4BT315 and when he checked out he had a motel bill of \$72.33 which he jumped. There were no phone calls.

With respect to PEDERSON, he was advised that any information he developed on Piper he should make available to the FBI on the ~~XXXXXX~~ case but that it was known that he was on parole and if he got out on bond, that under no circumstances should he consider himself to be working for the FBI.

The status of PEDERSON will be followed.

RE: SUSPECT WILLIAM MARCUS RAY, aka MARK SAVAGE

Enclosed for the Sacramento Office is a photo of subject, RAY, along with copies of FD 302 showing investigations conducted at Superior, Wisconsin. For information of the Sacramento Office, subject is in the St. Louis County Jail, Duluth, Minnesota, charged with First Degree Murder. While he was in Duluth, Minnesota, at times he had considerable sums of money in his possession. Investigations disclosed that RAY dickered for a mobile home in Superior, Wisconsin, and was handled by their salesman, ED KASPAIR. The mobile home was not actually purchased by SAVAGE and witnesses in Superior are not completely certain that RAY and SAVAGE are identical.

On October 18, 1972, Mrs. EDWARD G. KASPAIR, 4917 Hermantown Road, Duluth, Minnesota, advised her son, EDWARD KASPAIR, formerly worked at the Tower Homes in Superior, Wisconsin, but that in August, 1972, he moved to Sacramento, California, and is presently living in an apartment on Oak Drive in Sacramento. She stated her son is married, wife MARLIS, and that he is probably engaged in selling mobile homes in Sacramento at the present time. She had no local address for him in Sacramento but stated when she got a letter from him she would advise the FBI at Duluth, Minnesota.

LEAD:

SACRAMENTO DIVISION

AT SACRAMENTO, CALIFORNIA

Will attempt to locate EDWARD KASPAIR on Oak Drive or through mobile home contacts and interview him to determine if enclosed photo of RAY is identical to MARK SAVAGE and, if on the mobile home transaction, if SAVAGE displayed large amounts of money.

RE: WILLIAM MARCUS RAY

WILLIAM MARCUS RAY was afforded a polygraph examination on October 16, 1972, by SA HERBERT F. BRIICK at the St. Louis County Jail, Duluth, Minnesota. JOHN DURFEE, attorney for RAY, advised he did not believe RAY to be a good polygraph subject inasmuch as he considers him to be a pathological liar.

Charts of RAY's responses to the various pertinent questions tend to indicate he is not directly involved in the kidnaping, that he does not know who committed the kidnaping, nor would he refuse to tell the FBI if he did know who kidnaped Mrs. PIPER.

Because of certain restrictions placed on the test by RAY's attorney which prevented the establishment of suitable control questions for comparison with pertinent questions and further consideration of the fact RAY may be a pathological liar, examiner's opinion was qualified and test results indefinite.

RAY also indicated that a one CHARLES GAULT from somewhere in Alabama was involved with him in the PIPER kidnaping; that GAULT committed suicide in December 1973.

On May 10, 1974, SA CHARLES E. NELSON, JR., caused the records of the following agencies to be checked with negative results regarding CHARLES GAULT:

G. T. LOGAN, Jefferson County Sheriff's Office JOY LANCE, Birmingham Police Department FRANCES B. CHIFTON, Merchants Credit Association PATRICIA A. HORN, Records Court, City of Birmingham, Mrs. BOBBIE B. HENDERSON, Bureau of Vital Statistics, Jefferson County Health Department.

He was then described as a WM, Date of Birth October 30, 1938, Height 5'11", Weight 160 pounds, with blue eyes and brown hair.

File reflects no other addresses for this individual, nor does it reflect license ever expired at anytime after original license was issued.

A review of the Mountain Bell Telephone directory for Northwest Wyoming, which covers Cody, Wyoming and the remainder of the Big Horn Basin failed to reveal a bank known as First Western National Bank or any other bank with the initials FWN. Said review did reveal banks at Thermopolis, Greybull, Meeteetse, Cody, Lovell, Worland and Powell, Wyoming, that were titled First National Bank. A continuation of the review revealed the bank at Lovell titled Western National Bank.

On May 9, 1974, MARY ALLERHILIGEN, Loan Officer, Shoshone First National Bank of Cody, 1201 Sheridan Avenue, advised that said bank would not possess any safety deposit boxes that would have a number 745-18 or any thing similar. He further stated upon reviewing employment records for the last two years said bank has not had an employee using the name of ACREMA. In addition ALLERHILIGEN advised upon reviewing a list of holders of safety deposit boxes that none of them had the name SHAL ERIC RIVERS or WILLIAM MARCUS RAY. *indicated on copy*

On May 9, 1974, WAYNE MESSENGER, President, First State Bank, 1130 Sheridan, the only other bank in Cody, Wyoming, advised the bank would not have a safety deposit number 745-18. FEDERAL BUREAU OF INVESTIGATION

Date of transcription May 1, 1974

LAWRENCE GEORGE MURPHY, 1530 South Sixth Street, Apartment C905, telephone number 338-6892, advised as follows:

He was recently released from the Minnesota State Prison (MSP), Stillwater, Minnesota, after having served two years of a five-year sentence on an assault charge. In approximately April, 1973, while working in the prison hospital, he was instrumental in getting WILLIAM MARCUS RAY, a convicted murderer, assigned to work in the hospital. RAY, who he characterized as a compulsive liar and con-man, was dealing heavily in narcotics at the prison and alienated numerous inmates through his shady activities. It reached the point where RAY's life was in jeopardy and because of this, he was recently transferred to the Minnesota State Reformatory (MSR), St. Cloud, Minnesota, where he was placed in "segregation."

MURPHY said that while incarcerated at MSP, he received a \$14,000 inheritance from his father, and RAY talked him into loaning him \$1,500, which was never repaid. MURPHY advised he was naive regarding prison life and inmates and was "taken in" by RAY to the extent where RAY owes him a total of approximately \$5,000 to \$6,000.

MURPHY said that although RAY's credibility is highly questionable, he was furnishing the following information for whatever action the Bureau deemed appropriate:

In what he recalled to be April, 1973, RAY approached him in the prison hospital and exhibited to him a package he claimed to have been personally delivered to him at the prison by an unknown woman who originally received the package through the mail. RAY opened the package in his presence and exhibited to him a \$2 bill and an old pocket watch. The \$2 bill had very fine printing in the corners which bore the notations, "CODY, WYO; 1,467,193; FWN; B 745-18, 8-ACREMA; SHAL, ERIC RIVERS." The inside watch cover bore similar notations, but less extensive. After committing the notations to memory, RAY burned the \$2 bill

in front of him. To his knowledge, RAY still possesses the watch.

RAY explained that he had been personally involved in the PIPER kidnapping, that he was afforded a polygraph examination and passed inasmuch as he knew how to beat the examination. RAY claimed that in August, 1972, he traveled to Cody, Wyoming with BONNIE PETERSON, a former girl friend from Duluth, Minnesota (possibly BONNIE JOHNSON who claimed RAY gave her a safe deposit key #34). The afore-mentioned notations, as best as he could recall RAY's explanation, indicated that RAY, in August, 1972, rented safe deposit box 745-18, under the name SHAL ERIC RIVERS, from an employee named ACREMA at the First Western National Bank, Cody, Wyoming, and deposited \$1,467,193, some of which was PIPER ransom money, in the box.

RAY subsequently stated or implied that one CHARLES GAULT from somewhere in Alabama was involved with him in the PIPER kidnapping; that GAULT committed suicide in December, 1973.

MURPHY further advised that RAY was on a three-day pass from MSP about three weeks ago. While out of prison, he allegedly beat up some women.

RE: WILLIAM MARCUS RAY;
CHARLES GAULT

Investigation of the above was predicated upon receipt of information that RAY claimed he was involved in the PIPER kidnapping. RAY also stated or implied that one CHARLES GAULT from somewhere in Alabama was involved with him in the kidnapping; that GAULT committed suicide in December, 1973.

The following investigation was conducted at Birmingham, Alabama, by SA COLEMAN D. GEARY, III:

On October 17, 1974, HOYN GAULT, 917 4th Court, West, after being advised of the identity of the interviewing Agent and the purpose of this investigation, advised that he picked up his son, CHARLES N. GAULT, from the Federal Prison at Maxwell AFB, Alabama, on or about February 2, 1972, after he was placed on parole. He drove his son to Birmingham where he has been residing ever since with his wife, Mrs. ELIZABETH GAULT, at 2341 Laurel View Place, Rocky Ridge, Birmingham, Alabama. His son has worked every day with him in the Auto Salvage and Parts business. Practically every day they contact the National Tire and Salvage Company located at 2900 North 21st Avenue, Birmingham, and usually every day they contact and sell parts to Bill Russell Auto Parts, Incorporated, located at 1423 First Avenue, Bessemer. His son is also active in little league baseball and football since his return to Birmingham in February, 1972. He has not made any trips outside the State of Alabama to his knowledge and from the period February, 1972, to February, 1973, he was under the supervision of Federal Probation Officer E. A. DAVIS at Birmingham.

MP 7-567

PJN:cac

(2)

He said that his son has made trips to Montgomery, Alabama, but to his knowledge, he has not been outside the State of Alabama at any time and particularly during the period July 27-29, 1972.

His son is, as mentioned above, working hard and leading an exemplary life with his family and he has not been involved in any type of criminal activity since his parole in February, 1972.

After viewing an artist's sketch of the unsubs in this case, he said that neither of them looked familiar to him and both of them were considerably older than his son.

On October 28, 1974, Mrs. ELIZABETH GAULT, 2341 Laurel View Place (Rocky Ridge), was advised of the identity of the Interviewing Agent and the purpose of this investigation. She stated that her husband has been living at home with her and her ten-year-old son since his father, HOYN, brought him home from Maxwell AFB in February, 1972, following his parole. He works every day with his father in the Auto Sales business and spends a great deal of time with his son in little league activities. During the period February, 1972, until February, 1973, her husband, CHARLES, was under the supervision of the Federal Probation Office in Birmingham and he did not make any trips outside the State of Alabama during this period.

She said that her husband has not been engaged in any type of criminal activity since his parole. She said that he does not understand how anyone would accuse

MP 7-567

him of being involved in a kidnaping, however, it is entirely possible that someone who knew him while he was in the Federal Prison at Texarkana, may have given his name to the authorities. However, she said that it is ridiculous to think that her husband had anything to do with the kidnaping. As mentioned above, her husband was not away from home during the latter part of July, 1972, as he was busy with his work and little league baseball during this particular period of time.

On November 15, 1974, JOHN W. MC INTOSH, Federal Probation Officer, Birmingham, Alabama, advised from his records on CHARLES NEWMAN GAULT that GAULT's registered number was 17723149, and he was released on parole on February 2, 1972, to return to his home at 2341 Laurel View Place, Birmingham, at Maxwell AFB, Alabama. He was under supervision for a year from February 2, 1972 until February 2, 1973, at which time he was released from parole.

During the year that he was on parole, he was in contact on a monthly basis with Parole Officers E. A. DAVIS and RUFUS NIX and according to his file, he contacted the Parole Office on July 31, 1972.

At no time did he travel outside the State of Alabama during this period of time and his record was excellent as he worked regularly with his father in the Auto Salvage business and was still working in this capacity at the time he was released from parole on February 2, 1973.

There was nothing unfavorable in his file and to his knowledge, he did not engage in any type of criminal activity while he was on parole.

RE: WILLIAM MARCUS RAY

WILLIAM MARCUS RAY was interviewed at the Minnesota State Prison, Stillwater, Minnesota, by SAs KENNETH J. ANDREWS and FRANCIS R. GRADY, relative to the Piper kidnaping case.

RAY advised that he had been in telephonic contact with SA ARTHUR J. SULLIVAN and requested that Mr. SULLIVAN contact him. Subsequently SA ARTHUR J. SULLIVAN joined in the interview.

RAY said that he was serving a 40 year term for second degree murder and was under contract with the State of Minnesota wherein he has agreed to take certain courses and upon satisfactorily completing these courses he would be eligible for parole in 32 months.

He also said that he was not involved in the kidnaping of Mrs. VIRGINIA PIPER as was evidenced by two polygraph tests that he had taken.

The reason RAY desired to talk to Bureau agents was because of the following alleged facts related by RAY:

RAY said he was suffering from a serious sinus condition and was scheduled for an operation at the University of Minnesota Hospital on the morning of May 18, 1973. The operation was to be performed by Dr. WILLIAM MEYERHOFF. At 8:30 a.m. on May 17, 1973, RAY was taken to the University Hospital by prison guard JAMES SAMPLE, arriving at approximately 9:15 a.m. on the same date. His stay at the hospital was uneventful until about 7:00 a.m. on May 18, 1973.

At this time he alleged that he received a phone call. The caller said, "Is this MARCUS RAY?" RAY answered, "Yes." The caller said, "We're willing to pay you \$100,000 to take the rap." "If you don't take it we'll kill you before you leave the hospital." RAY said at first he thought this was a prank and hung up without saying anything further. Shortly after the call he was given a sedative in preparation for his operation and wheeled into the operating room. He was accompanied into the operating room by

the prison guard SAMPLE. In the operating room was a nurse and the anesthetist. He said prior to being put to sleep for the operation he noticed the door leading to the operating room was opened. The person opening the door was dressed in a business suit and he recognized this individual as a person he had seen on several occasions in the Black Bear Lounge of the Hotel Duluth, in Duluth, Minnesota. He said this person merely smiled at him and closed the door, whereupon he, RAY, sat up on the operating table and refused to take the anesthetic, after which he demanded to be returned to Stillwater State Prison.

RAY said that he felt the individual he saw was going to do him bodily harm. He also stated that his fellow inmates were taking bets that he would never return to the prison.

Relative to the individual RAY saw at the door, he explained that the first time he saw this individual was at the Black Bear Lounge on or about July 5 or 6, 1972. He recalls this date because it was the birthday of GENO PALUCCI. RAY said he was drinking at a table and the individual he saw in the operating room joined him at the table, along with two females. Prior to leaving the lounge, RAY paid for the tab and went to his room. RAY could not recall the name of any of the individuals and could not describe the females. He described the individual he saw at the hospital as follows:

Sex	Male
Race	White
Age	35-40
Height	5'10" - 11"
Build	Heavy - with "beer belly"
Weight	195 pounds
Hair	Sandy - combed back
Complexion	Tanned
Eyes	Color unknown - no glasses
Dress	Business suit

RAY stated that he was of the opinion that this individual was staying at the Holiday Inn Motel in Duluth, Minnesota. He described the second individual as follows:

Race	White
Sex	Male
Age	Approximately 30
Height	5'8"
Weight	195 pounds

MP 7-567

Build	Heavy, muscular
Complexion	Dark, needed shave
Dress	Business suit

RAY requested the interviewing Agents to contact Dr. MEYERHOFF for the purpose of setting up a date for RAY's operation. He said if this were done, the hospital could be planted by Agents and then when the unknown individual again appears he could be arrested by the Agents.

RAY stated that when he was in the hospital he was in Section 49, Room 428, and he was guarded by Guard SAMPLE in the daytime and McDONOUGH at night.

RE: WILLIAM MARCUS RAY

It is to be noted that U.S. Marshal HARRY D. BERGLAND has been contacting MICKY McGLYNN, an inmate at the Minnesota State Prison, Stillwater, Minnesota. McGLYNN furnished information to BERGLAND indicating that RAY had pertinent information concerning the PIPER kidnaping.

On May 23, 1973, RAY telephonically contacted the Minneapolis Office and talked with SA ARTHUR J. SULLIVAN. He requested that SULLIVAN contact him because he had a matter that he wanted to discuss with Agent SULLIVAN.

It is further to be noted that extensive investigation has been conducted concerning MARCUS RAY. He has been afforded a polygraph examination on two occasions and it was the opinion of the polygraph operator on these occasions that RAY did not participate in the kidnaping and had no information concerning it. Investigation previously conducted also indicates that RAY is possibly a pathological liar and in view of these facts, it is recommended that no further investigation be conducted.

RE: WILLIAM MARCUS RAY;
CHARLES NEWMAN GAULT

Investigation of the above was initiated upon receipt of information that RAY stated or implied that one CHARLES GAULT from somewhere in Alabama was involved with him in the PIPER kidnaping; that GAULT committed suicide in December, 1973.

The Mobile Office by communication dated July 11, 1974, stated that BARBARA GROSS, Federal Prison Camp, Maxwell Air Force Base, Alabama, advised on July 8, 1974, that CHARLES NEWMAN GAULT was paroled on February 2, 1974; that records concerning him were forwarded to East Point, Georgia.

On July 23, 1974, Mrs. NADINE WELCHEL, Federal Records Center, General Services Administration (GSA), East Point, Georgia, made available to Special Clerk MARION W. DAVIS for review prison record of CHARLES NEWMAN GAULT, FBI #515 261 F. The records reflect that GAULT was received at Texarkana, Arkansas, Federal Correctional Institute on March 8, 1970, to serve three years for National Motor Vehicle Theft Act. He was released by court order on May 19, 1970, his sentence set aside, and on May 22, 1970, was resentenced to a three-year term to be served in the Alabama Penal System. On March 1, 1971, he was received from Alabama Penal System and his mandatory release date was set at May 26, 1972.

GAULT was released (on probation) from Federal Prison Camp, Maxwell Air Force Base, Alabama, at 8:00 a.m. on February 2, 1972, and transported via private car to 2341 Laurel View Place, Birmingham, Alabama.

GAULT is described as a white male, date of birth October 30, 1938. His place of birth was listed as Lamar County, Alabama.

The file reflected that GAULT was a Minimum Custody inmate. He was assigned to work release program where on November 15, 1971, he worked at Kelly Auto Parts, Montgomery, Alabama. His supervisor was Mrs. KELLY and RICHARD YARBROUGH.

RE: RICHARD OCCHINO
Date of Birth
April 24, 1946

At approximately 9:30 PM on September 26, 1973, OCCHINO telephonically contacted the Minneapolis Office from Duluth, Minnesota. He advised SA FRANCIS R. GRADY that he had some positive information concerning the PIPER kidnaping that he would not discuss on the phone. He said that if an Agent contacted him at his mother's home at 10:30 PM, he would furnish them the information. Efforts to ascertain the information OCCHINO possessed was negative and he was advised that an agent would meet him at 10:30 PM at his mother's home, 509 North 2nd Avenue East, Duluth, Minnesota, phone 722-0395.

In view of the fact that Agents BILL R. BENTLEY and ROBERT E. WALTON were out of town on official business, SA CLIFFORD HUHTA of the Superior Resident Agency was telephonically contacted by SA FRANCIS R. GRADY and requested to check the Duluth Police Department on OCCHINO and interview him. SA HUHTA was requested to advise SA GRADY the results of the interview.

At approximately 11:45 PM, SA HUHTA telephonically contacted SA GRADY advising that OCCHINO is well known to the Duluth Police Department, and that he had been confined to St. Peter Mental Hospital, St. Peter, Minnesota. He also has a history of assaults and disorderly conduct. He was in jail in Duluth at the same time as WILLIAM MARCUS RAY, FBI # 730 258 C. RAY was the name of the individual OCCHINO furnished as being involved in the PIPER kidnaping.

It is to be noted that WILLIAM MARCUS RAY is presently serving time in Stillwater State Prison on a murder charge in Duluth.

Extensive investigation was conducted relative to RAY with negative results.

FEDERAL BUREAU OF INVESTIGATION

Date of transcription May 10, 1976

GEORGE LOUIS LESLIE was interviewed at the Arapahoe County Jail at his request, stating that he had some information regarding the kidnap of VIRGINIA PIPER.

LESLIE stated that he was born October 4, 1950, St. Paul, Minnesota, and he was arrested on February 8, 1976, for Simple Robbery and Burglary, however, his lawyer, MIKE STERN, Denver, Colorado, has filed a motion for insanity and LESLIE is to appear before the Arapahoe County Court on August 9, 1976. He stated that he was offered the sentence of one to ten years if he pled guilty, otherwise he faces up to 40 years.

LESLIE stated that he feels if he tells the FBI regarding the kidnaping of PIPER, that this may be taken into consideration during his sentencing.

LESLIE was advised that the FBI can make no promises regarding his sentencing by the local authorities.

LESLIE stated that in 1964 he met an individual by the name of MIKE GLENNON when they were incarcerated together at the Diagnostic and Research Center, a juvenile institution located outside of St. Paul, Minnesota. He stated that GLENNON and he have been as close as brothers since that time. GLENNON now lives in either St. Paul or St. Cloud, Minnesota, address unknown.

LESLIE said he had previously been interviewed by either an FBI Agent or an Agent from the Crime Bureau of Minnesota in 1972, either in the Ramsey County Jail or the Washington County Jail. This interview was in regards to the PIPER kidnaping, however, LESLIE said that he would not furnish any information to this Agent. He said that GLENNON has been interviewed on several occasions by the FBI regarding the kidnaping.

LESLIE said that since the kidnaping of PIPER, he always felt that GLENNON was involved in some way and he last

saw GLENNON in June, 1975, when they were both incarcerated in a State reformatory at St. Cloud, Minnesota. It was at this time that GLENNON mentioned that he was involved in the PIPER kidnaping and that he received \$250,000.00 in \$20.00 bills as a payoff but said that the money was too hot to use since some of the money had turned up at the Rosedale Shopping Center, St. Paul, Minnesota, and other places in the St. Paul area.

According to GLENNON, three other individuals were involved in the kidnaping besides himself and LESLIE recalls that GLENNON mentioned that one of these individuals, name unknown, was found dead in a snow bank in Burnsville, Minnesota; one was in prison and the third individual was unknown. GLENNON believes that the one in prison is BARRY LEIBERMAN (phonetic), who is currently in the Minnesota State Penitentiary at Stillwater, Minnesota, where he is serving a 40-year to life sentence.

GLENNON mentioned to LESLIE that his \$250,000.00 is buried at a cabin in northern Minnesota. LESLIE could furnish no further information regarding the cabin or its location.

LESLIE stated that an individual called "ALABAMA" is MARCUS RAY, current location unknown, who is described as age 35 to 40, 5'8" to 5'9", 180 to 190 pounds, chunky build, has mustache, sandy or brown hair, has a southern accent and is a "boozier".

LESLIE described GLENNON as age 25 to 30, 6', 220 pounds, muscular build, Italian extraction, black, curly hair, to his shoulders, brown eyes; has tattoos (location and type unknown).

BARRY LEIBERMAN is described as age 40, 6'5" to 6'6", 250 pounds, large build, brown hair, balding.

LESLIE stated that the only reason he is telling the FBI this is that it may help in the sentencing, even though he may be putting himself in the position of physical harm. He is willing to testify to the above. LESLIE also said that he believes he could find the money of GLENNON that is buried through GLENNON's father, VERN BONNAMAN (phonetic), from St. Paul, who is a known burglar that now lives outside of Madison, Wisconsin. He said he also may be able to determine further information through GLENNON's uncle, VINI (phonetic) (Last Name Unknown), who owns or runs a trucking company in Madison, Wisconsin.
