We met [REDACTED] today. He is interested in renewing negotiations on Nordau Plaza. In his opinion the construction costs, including working capital, will amount to \$1,350,000, and therefore the total expenses will amount to \$2,350,000 to \$2,400,000. [REDACTED] and his group are ready to invest \$1,100,000. If [REDACTED] stays in, and his investment is estimated at \$500,000; then we still lack \$750,000 to \$800,000. [TS]

Please find out from [REDACTED] a [TS]

a. whether the government is prepared to increase the loan to 1,200,000 pounds, which is about \$675,000, on the assumption that [REDACTED] will increase to \$1,200,000. [TS]

Z

b. whether [REDACTED] in the event that [REDACTED] will invest \$1,200,000 and will pay all the creditors, will agree to accept 30 per cent of the shares instead of 45 per cent as was stated between him and [REDACTED] once. Another difficulty with [REDACTED] is that he does not want to deal with creditors but wants to take on everything unencumbered, except for the [REDACTED] matter. We hope that if the increase of the government loan goes through it will influence him to increase his investment to 1,200,000 and to get along with the creditors. [REDACTED] should by no means be encouraged to come here until the matter is completed. We are meeting with [REDACTED] on Thursday morning, 6 November.
