David: TY letters for the Hill Staffers below. It would be nice if we could get these out soon, just to keep us on their mind a little bit. (I tried to make each one a little different.) Tom March 28, 1997 Mr. Daniel R. Moll Deputy Staff Director Government Reform and Oversight Committee House of Representatives 2157 Rayburn House Office Building Washington, DC 20515 Dear Mr. Moll: Thank you for taking the time to meet with Tom Samoluk and me regarding the work of the Review Board and our request for a one year extension. We appreciate your taking the time from other matters to discuss the Board's situation with us. As Tom and I mentioned at the meeting on Thursday, the Review Board's review of the remaining FBI and CIA records is critical to the JFK Collection at the National Archives. The additional year will allow the Board to complete these records and submit a more complete final report to the Congress. Again, thank you for your time and interest in the Review Board. Please do not hesitate to contact Tom or me at 724-0088, if we can answer any other questions or provide additional information. Sincerely, David G. Marwell Executive Director March 28, 1997 Mr. Jeff Schaffner Professional Staff Government Reform and Oversight Committee House of Representatives 2157 Rayburn House Office Building Washington, DC 20515 Dear Mr. Schaffner: Thank you for taking the time to meet with Tom Samoluk and me on Thursday to discuss the future of the Review Board. We appreciate that the Board's situation is but one of many issues that are currently pending before the Committee and require your attention. The meeting was an important opportunity for us to explain in more detail what would be accomplished by the Board with an additional year. We benefited from being able to brief you in person and answer your questions. I hope that the meeting was helpful to you. Again, thank you for taking the time to meet with us. We look forward to working with you to ensure that the Board completes its work. Please do not hesitate to contact Tom or me at 724-0088 if there is anything else we can do at this time. Sincerely, David G. Marwell Executive Director March 28, 1997 Mr. Kip Lady Staff Assistant Government Reform and Oversight Committee House of Representatives 2157 Rayburn House Office Building Washington, DC 20515 Dear Mr. Lady: Thank you for arranging the briefing time for Tom Samoluk and me to meet with Dan Moll, Jeff Schaffner and you. We appreciate that this is a busy time for the Committee. I hope that the meeting was helpful to all of you. For us, it was an important opportunity to present why the Board needs the additional year of operations. As we stated, the FBI and CIA records that remain to be reviewed by the Board are critical to the JFK Collection at the National Archives. Again, thank you for your time and interest in the Record
