Subject: Conversation with Former FBI Agent Myers

David:If you recall, alleged recording of Oswald and jail visitors had come up in a couple of places in the Rankin papers (and in Sylvia Meager's book relative to Ruby, as well). I had a conversation with a very cooperative former FBI agent Myers who had been with Ruby after his arrest. I provide it FYI.

PUBLICDocument's Author: Tom Samoluk/ARRB Date Created: 09/11/97 The Players Description of the Call
Date: 09/10/97Subject: Allegations that Jack Ruby jail visits were tapedSummary of the Call:12:40 p.m. -
Former FBI Agent Myers returned my call. I explained to him about the Review Board and that my interest in talking with him had to do with a report (CE 2080) he wrote regarding Jack Ruby's visitors at the Dallas jail after he shot Oswald.I inquired about how he was able to quote what Ruby said to his visitors verbatim in his report. He said that he heard the conversation directly because he was sitting right there with Ruby. He also said that he had strong recall ability. In response to my question, he said that there was no recording capability at the jail. (Possible recording of visits with Oswald were mentioned in documents contained in the Rankin papers. Sylvia Meager, in Accessories After the Fact, had dealt with the issues and raised questions about how Myers could recount the conversation Ruby had with visitor verbatim.) I asked Mr. Myers if he was aware of any assassination records that may be in private hands. His immediate reaction was that we should get the film that was saved by Roy Cooper, a former Ch 11 cameraman and neighbor of Myers'. I told him that we had acquired a first generation copy through Janet Veazey.At my request, he said he would think about other possible sources of records. In addition, he suggested that I meet with him if I come to Dallas. Myers thought that he might be able to recommend other people for me to talk with regarding records. I told him that a trip to Dallas was a possibility for me in the coming months.
