Subject: Dr. David Garrow

I just spent two unfruitful weeks trying to locate Garrow at William and Mary, only to learn from him this morning that he left W&M in May has been at A.U. since then. In the event anyone else needs to contact him, for the coming academic year he may be reached at American University, History Department, 4400 Massaschusetts Avenue NW, WDC 20016, 202/234-2927.
