Subject: Book
I picked up a book on sale which I do not have time to read right now. So, if anyone would like to borrow it, let me know. It is The People v. Lee Harvey Oswald by Walt Brown. The jacket says that Walt Brown earned a Ph.D. in American History from Notre Dame and that he is a former FBI Special Agent. He is currently on a leave of absense from his position as Adjunct Professor of American History at Ramapo College, New Jersey.
Body: The book is fairly recent (1992).
