Just a few notes about the kitchen area:1. Until the tap water isn't brown anymore, please make coffee and ice cubes using the bottled water. Nobody wants to drink brown water!2. When you use the microwave, please wipe it down after your food has cooked. The same people are having to constantly clean the microwave after others. If you use the kitchen, you are responsible for cleaning it as well.3. After you use the sponge or bottle sponge, please wring it out and set it on the counter to dry. They are beginning to smell from being left soaking wet in the sink.4. Please throw away any perishable foods and drinks by 2:00 today. I will be emptying anything not labelled for saving today.Thanks for your cooperation in keeping the kitchen clean.

**Body:** Nobody here wants to feel that it is their job to clean up after others!
