Subject: paychecks, part II
I have distributed paystubs. If you were not at your desk, they are in your top center drawer. If you get an actual paycheck and were not at your desk, please see me. You will all notice that your net pay amounts are slightly less than usual--the difference being in your FERS contribution. Payroll is checking into this and will let us know if it is for a real reason or if there is an error. I'll let you know as soon as I hear something. Thanks for your patience!
