Subject: jack's new address

Body: Jack will be in his new office on Monday. (For those of you who don't know, he was finally confirmed!) I will be distributing a new list of Board addresses to you momentarily. Please note his changed address and phone number. Also, he will NOT have access to internet at his new place. When they get a fax line installed I'll let you know what it is. They are in the process of moving now, however for the remainder of this week Debbie said it is still best to leave messages at the old number. Also--please note Kermit's new home address.
