**Subject:** Kudos

As anyone with experience in law firms knows, the preparation for a major deposition takes an enormous amount of work.I would particularly like to thank Doug for his yeoman's work. He volunteered to come in this weekend to work on exhibits (even though he wasn't the one assigned to the task) and he has been an enormous help on both Saturday and Sunday.I would also like to thank Joe and Noelle who volunteered their services. I appreciate their willingness and commitment.
