Subject: coffee

If you are in the coffee club (or dropped out after November), please let me know. There has been an error in billing us (they havn't been) and we now owe for a few months. If you dropped out after November let me know when you think you may have stopped drinking the office coffee. Also, for anyone who drinks coffee when the Board is here--the folks in the coffee club would probably appreciate your donations since in essence they are paying for you when you do that! If you fall into this category and would like to let me know, I'll figure out a reduced payment for you. Thanks.
